

# BORE STIX - BORE TECH 6MM BR 44"

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rods](#)

## Fully Coated Rod Cleans Without Scratching

Cushioned handle has 22 ball bearings inside for effortless rotation so the patch always follows the rifling. Full-length epoxy coating on spring steel rod is impervious to solvents. Index dots on the handle let you check twist rates. 6mm BR rod gives an exact fit to 6mm benchrest, varmint, and hunting rifles.

# BORE STIX BORE TECH 6MM BR 44" Safety Instruction Guide

## Introduction

Thank you for choosing the BORE STIX BORE TECH 6MM BR 44". This product is designed for cleaning rifles with precision and ease. To ensure your safety and the optimal performance of the product, please read this safety instruction guide carefully.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose, which is cleaning 6mm benchrest, varmint, and hunting rifles.
- Always keep the cleaning rod out of reach of children and vulnerable individuals to prevent accidents.
- Check for any visible damage before use. If the product is damaged, do not use it and contact the manufacturer for support.
- Use the product in a wellventilated area to avoid inhaling any harmful solvents or chemicals.
- Follow all manufacturer instructions regarding the use of cleaning solvents and oils.

## Specific Safety Precautions for Use

- **Hazard Identification:**

- The cleaning rod may have sharp edges. Handle with care to avoid cuts.
- Ensure the cleaning rod is securely attached to the handle before use to prevent it from detaching during cleaning.

- **Avoiding Hazards:**

- Always wear safety goggles when using cleaning solvents to protect your eyes.
- Do not use the cleaning rod near open flames or sources of ignition, as some cleaning solvents are flammable.
- Keep the cleaning area free from clutter to avoid accidents.

- **AudienceSpecific Warnings:**

- This product is not intended for use by children. Ensure adult supervision if used around minors.
- Individuals with limited experience in handling firearms should seek guidance from a knowledgeable person before using the product.

## Instructions for Installation and Usage

- **Installation:**

1. Ensure the firearm is unloaded and pointed in a safe direction.
2. Attach the cleaning rod to the handle by screwing it securely into the 832 female threads.
3. Confirm that the connection is tight to prevent any detachment during use.

- **Usage:**

1. Apply a suitable cleaning solvent to the patch.
2. Insert the patch onto the cleaning rod.
3. Insert the cleaning rod into the rifle's barrel, ensuring it follows the rifling.

4. Rotate the handle gently to allow the patch to clean the barrel effectively.
5. Repeat the process as necessary until the barrel is clean.
6. After use, detach the cleaning rod from the handle and clean it according to the manufacturer's recommendations.

## **Disposal Instructions**

- Dispose of any used cleaning patches and solvents according to local regulations.
- Do not dispose of cleaning solvents in regular trash. Follow local hazardous waste disposal guidelines.
- Recycle the packaging materials where possible.

## **Contact Information for Further Support**

For questions or concerns regarding the BORE STIX BORE TECH 6MM BR 44", please contact the manufacturer's customer service. Ensure you have the product details available for reference.

By following these safety instructions, you can ensure a safe and effective cleaning experience with your BORE STIX BORE TECH 6MM BR 44". Thank you for your attention to safety.
