

BORE STIX - BORE TECH 7MM-30 CAL. 36"

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rods](#)

Fully Coated Rod Cleans Without Scratching

Cushioned handle has 22 ball bearings inside for effortless rotation so the patch always follows the rifling. Full-length epoxy coating on spring steel rod is impervious to solvents. Index dots on the handle let you check twist rates. 6mm BR rod gives an exact fit to 6mm benchrest, varmint, and hunting rifles.

BORE STIX BORE TECH 7MM30 CAL. 36" Safety Instruction Guide

Introduction

Thank you for choosing the BORE STIX BORE TECH 7MM30 CAL. 36". This cleaning rod is designed to help you maintain your firearms effectively and safely. To ensure your safety and the proper use of this product, please read and follow the instructions and guidelines outlined in this document.

General Safety Guidelines

- Always use the cleaning rod in a wellventilated area.
- Keep the cleaning rod out of reach of children and pets.
- Inspect the cleaning rod before each use for any signs of wear or damage.
- Do not use the cleaning rod for any purpose other than cleaning firearms.
- Follow all manufacturer recommendations for cleaning supplies and solvents.
- Be aware of the potential hazards associated with cleaning solvents, such as flammability and toxicity.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded and pointed in a safe direction before using the cleaning rod.
- Use appropriate eye protection when cleaning firearms.
- Avoid using excessive force when cleaning to prevent damage to the firearm or cleaning rod.
- Do not exceed the recommended length of the cleaning rod for your specific firearm caliber.
- Be cautious of sharp edges or points on the cleaning rod or any attachments.
- If you experience any discomfort or adverse reactions while using cleaning solvents, discontinue use immediately and seek medical advice.

Instructions for Installation and Usage

1. Preparation

- Ensure that the firearm is completely unloaded.
- Gather all necessary cleaning supplies, including cleaning solvents, patches, and brushes.

2. Attaching the Rod

- The BORE STIX features 832 female threads. For .17 cal. and .20 cal. rods, use the 540 female threads.
- Attach the appropriate cleaning patch or brush to the end of the cleaning rod by screwing it securely into the threaded end.

3. Using the Cleaning Rod

- Insert the cleaning rod into the barrel of the firearm, ensuring that it follows the rifling.
- Use the cushioned handle to rotate the rod smoothly. The 22 ball bearings inside the handle enable effortless rotation.
- Move the rod back and forth gently to clean the barrel. Avoid excessive force.

4. Checking Twist Rates

- Use the index dots on the handle to verify the twist rates of your firearm.

5. Cleaning After Use

- After cleaning, remove the cleaning rod and any attachments.
- Wipe down the cleaning rod with a cloth to remove any solvent residue.
- Store the cleaning rod in a dry place, away from direct sunlight and moisture.

Disposal Instructions

- Dispose of any cleaning solvents and patches in accordance with local regulations.
- Do not dispose of the cleaning rod in regular household waste. Check for local recycling programs or hazardous waste disposal options.

Contact Information for Further Support

For any inquiries regarding the BORE STIX BORE TECH 7MM30 CAL. 36", please refer to the manufacturer's contact information provided with the product packaging.

By following these safety instructions, you can ensure a safe and effective cleaning experience with your BORE STIX BORE TECH 7MM30 CAL. 36". Thank you for prioritizing safety and proper usage.
