

# ELIMINATOR - 4 OZ. ELIMINATOR

[Gun Cleaning & Chemicals](#) > [Solvents & Degreasers](#) > [Bore Solvents](#)

## Sophisticated Solvents That Take The Chore Out Of Bore Cleaning

Eliminate the mounds of dirty cleaning patches that are created using your current solvent by switching to this advanced formula, which literally wipes-out all copper, lead, carbon, plastic, and powder fouling in minutes instead of hours. Technologically advanced in every way, Eliminator literally alters the chemical makeup of copper to break its bind from the barrel steel, then uses advanced chelating agents to keep it from re-depositing. Rust preventatives guard against corrosion. Non-toxic, non-flammable, and completely biodegradable. This stuff is incredible!

# Safety Instruction Guide for ELIMINATOR 4 OZ. ELIMINATOR

## Introduction

Thank you for choosing ELIMINATOR 4 OZ. ELIMINATOR. This advanced formula is designed to effectively eliminate copper, lead, carbon, plastic, and powder fouling from your firearm. To ensure safe and effective use of this product, please read and follow the safety instructions provided in this guide.

## General Safety Guidelines

- Always store the product in a cool, dry place away from direct sunlight.
- Keep out of reach of children and pets.
- Use the product only as directed on the label.
- Avoid contact with skin and eyes. In case of contact, rinse immediately with plenty of water.
- Do not ingest. If swallowed, seek medical attention immediately.
- Ensure proper ventilation when using the product to avoid inhaling fumes.
- Dispose of the product responsibly according to local regulations.

## Specific Safety Precautions for Use

- **Personal Protective Equipment (PPE):**
  - Wear gloves to protect your skin.
  - Use safety goggles to protect your eyes.
  - Consider using a mask if working in a poorly ventilated area.
- **Hazard Identification:**
  - The product may cause skin and eye irritation.
  - Inhalation of vapors may cause respiratory irritation.
- **Emergency Measures:**
  - In case of skin irritation, wash with soap and water.
  - If irritation persists, seek medical advice.
  - If accidentally inhaled, move to fresh air and seek medical attention if symptoms persist.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and in a safe condition before application.
- Shake the bottle well before use.

### 2. Application:

- Apply a small amount of ELIMINATOR directly to the fouled areas using a cleaning patch or brush.
- Allow the product to sit for a few minutes to penetrate the fouling.
- Wipe away the residue with a clean patch or cloth.

### 3. PostApplication:

- After cleaning, ensure that all residues are removed from the firearm.
- Store the product in its original container with the lid tightly closed.

## **Disposal Instructions**

- Dispose of any unused product and cleaning materials in accordance with local regulations.
- Do not pour down drains or dispose of in regular trash.
- Check local disposal guidelines for hazardous materials.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the product, please refer to the contact information provided on the product packaging or visit the manufacturer's website.

By following these guidelines, you can ensure safe and effective use of ELIMINATOR 4 OZ. ELIMINATOR. Thank you for prioritizing safety while using our product.
