

ELIMINATOR - BORE TECH 16 OZ. ELIMINATOR

[Gun Cleaning & Chemicals](#) > [Solvents & Degreasers](#) > [Bore Solvents](#)

Sophisticated Solvents That Take The Chore Out Of Bore Cleaning

Eliminate the mounds of dirty cleaning patches that are created using your current solvent by switching to this advanced formula, which literally wipes-out all copper, lead, carbon, plastic, and powder fouling in minutes instead of hours. Technologically advanced in every way, Eliminator literally alters the chemical makeup of copper to break its bind from the barrel steel, then uses advanced chelating agents to keep it from re-depositing. Rust preventatives guard against corrosion. Non-toxic, non-flammable, and completely biodegradable. This stuff is incredible!

Safety Instruction Guide for ELIMINATOR BORE TECH 16 OZ. ELIMINATOR

Introduction

Thank you for choosing ELIMINATOR BORE TECH 16 OZ. ELIMINATOR. This advanced cleaning formula is designed to effectively eliminate copper, lead, carbon, plastic, and powder fouling from your firearms. To ensure safe and effective use of this product, please read the following safety guidelines and instructions carefully.

General Safety Guidelines

- Always keep this product out of reach of children and pets.
- Use this product only for its intended purpose as a bore solvent.
- Ensure proper ventilation when using this product to avoid inhalation of fumes.
- Avoid contact with eyes and skin. In case of contact, rinse thoroughly with water.
- Do not ingest this product. If swallowed, seek medical attention immediately.
- Store in a cool, dry place away from direct sunlight and heat sources.
- Dispose of the product and its container in accordance with local regulations.

Specific Safety Precautions for Use

- Wear protective gloves and safety goggles when handling the product.
- Do not mix with other cleaning agents or solvents unless specifically instructed.
- Use only in a wellventilated area to minimize exposure to fumes.
- Avoid using on surfaces that are not compatible with solvents.
- If you experience any adverse reactions while using the product, discontinue use immediately and seek medical advice.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Gather all necessary materials, including the ELIMINATOR BORE TECH, cleaning patches, and cleaning tools.

2. Application:

- Shake the bottle well before use.
- Apply a liberal amount of ELIMINATOR directly to a cleaning patch.
- Insert the cleaning patch into the bore of the firearm.
- Allow the product to sit for a few minutes to penetrate fouling.

3. Cleaning:

- Use a cleaning rod to push the patch through the bore.
- Repeat the process as necessary until the bore is clean.
- After cleaning, run a dry patch through the bore to remove any residual solvent.

4. PostUse Care:

- Clean any tools used during the application with soap and water.
- Store the product securely in its original container.

Disposal Instructions

- Dispose of any unused product and its container in accordance with local hazardous waste regulations.
- Do not pour down the drain or dispose of in regular household waste.

Contact Information for Further Support

For any inquiries or further assistance regarding the use of ELIMINATOR BORE TECH 16 OZ. ELIMINATOR, please refer to the contact details provided on the product packaging or visit the manufacturer's website.

Thank you for prioritizing safety while using ELIMINATOR BORE TECH. Your adherence to these guidelines helps ensure a safe and effective cleaning experience.
