

# BOLT ACTION CLEANING KIT - BORE TECH BOLT ACTION CLEANING KIT

[Gun Cleaning & Chemicals](#) > [Cleaning Kits](#) > [Rifle Cleaning Kits](#)

Bore Tech's Action Cleaning Tool Kit is the industry's most innovative action cleaning tool that is specifically engineered for meticulous cleaning of a bolt action rifle's chamber, locking lug recess and action. The patent pending molded rubber wiper eliminates ineffective cotton rolls that fall off in the action and expensive single use felts. Simply spike a patch over the rubber wiper and observe how it perfectly conforms to the action walls providing a thorough and complete cleaning in a fraction of the time.

# BOLT ACTION CLEANING KIT SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the Bore Tech Bolt Action Cleaning Kit. This innovative tool is designed specifically for the meticulous cleaning of bolt action rifles. To ensure your safety and the effective use of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Always use the cleaning kit in a wellventilated area.
- Keep the cleaning kit out of reach of children.
- Do not use the cleaning kit for any purpose other than its intended use.
- Inspect the cleaning kit before each use to ensure it is in good condition.
- Follow all manufacturer instructions for use and maintenance.

## Specific Safety Precautions for Use

- **Potential Hazards:**

- Risk of injury from sharp edges on cleaning tools.
- Risk of inhalation of cleaning solvents or debris.
- Risk of eye irritation from contact with cleaning agents.

- **Avoiding Hazards:**

- Always wear protective eyewear when using the cleaning kit.
- Use gloves to protect your skin from cleaning solvents.
- Ensure that the cleaning area is free from flammable materials.

- **AgeSpecific Warnings:**

- This product is not intended for use by children. Adult supervision is required when used around minors.

## Instructions for Installation and Usage

- **Preparation:**

1. Ensure the rifle is unloaded and pointed in a safe direction.
2. Gather all necessary components of the cleaning kit.

- **Cleaning Procedure:**

1. Attach the rubber wiper to the cleaning rod.
2. Spike a cleaning patch over the rubber wiper.
3. Insert the cleaning rod into the rifle's chamber and gently push it through the action.
4. Rotate the cleaning rod to ensure thorough contact with all surfaces.
5. Remove the cleaning rod and patch, and inspect for debris.
6. Repeat as necessary until the chamber and action are clean.

- **PostCleaning:**

1. Dispose of used patches and any cleaning solvents in accordance with local regulations.
2. Store the cleaning kit in a dry place, away from direct sunlight.

## **Disposal Instructions**

- Dispose of the cleaning kit components and any used materials in accordance with local waste disposal regulations.
- Do not dispose of cleaning solvents down the drain or in regular trash.

## **Contact Information for Further Support**

For any safety inquiries or further assistance, please refer to the product packaging for the appropriate contact details.

By following these safety instructions, you can ensure a safe and effective cleaning experience with your Bore Tech Bolt Action Cleaning Kit. Thank you for prioritizing safety while maintaining your equipment.
