

JAG - BORE TECH .17 CAL. JAG

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rod Jags](#)

Machined from a special copper-free alloy that's as gentle on the bore as brass, while it eliminates false indications of blue copper fouling on the patch. Holds the patch tight in two places, doubling the effective cleaning area. Reverse taper self-guides into bore. SPECS: Proprietary copper-free alloy. Approx. 21 $\frac{3}{4}$ " (5.7cm) long. .17 cal. - 5-40 male threads. .22 & .30 cal. - 8-32 male threads.

JAG BORE TECH .17 CAL. JAG Safety Instruction Guide

Introduction

Thank you for choosing the JAG BORE TECH .17 CAL. JAG. This product is designed to assist you in cleaning your firearm effectively while ensuring safety and compliance with EU regulations. Please read this safety instruction guide carefully to ensure safe use and maintenance of the product.

General Safety Guidelines

- Always handle the JAG BORE TECH .17 CAL. JAG with care and respect.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product before each use for any signs of damage or wear.
- Use the product only for its intended purpose, which is cleaning firearm bores.
- Follow all local laws and regulations regarding firearm maintenance and cleaning.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure the firearm is unloaded before using the JAG BORE TECH .17 CAL. JAG.
- Avoid using excessive force when cleaning to prevent damage to the bore and jag.
- Do not use the product if it appears damaged or malfunctioning.
- Always wear appropriate eye protection when cleaning firearms.
- Maintain a clean and organized workspace to avoid accidents.
- Do not use the jag with incompatible calibers or sizes.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is completely unloaded.
- Gather all necessary cleaning supplies, including cleaning patches and solvent.

2. Installation:

- Attach the JAG BORE TECH .17 CAL. JAG to the cleaning rod by screwing it onto the appropriate male threads (540 for .17 cal).
- Ensure it is securely fastened before use.

3. Usage:

- Insert the jag into the bore of the firearm gently.
- Use a cleaning patch soaked in solvent and place it onto the jag.
- Pull the cleaning rod back and forth through the bore to clean effectively.
- Repeat as necessary until the bore is clean.
- After use, remove the jag and clean it with solvent to remove any residue.

4. Post Use:

- Store the JAG BORE TECH .17 CAL. JAG in a safe, dry place away from children.
- Regularly inspect the product for wear and replace it if necessary.

Disposal Instructions

- Dispose of the JAG BORE TECH .17 CAL. JAG in accordance with local regulations.
- Do not dispose of the product in regular household waste if it is damaged or contains hazardous materials.
- Check for local recycling programs that accept metal products.

Contact Information for Further Support

For any questions or concerns regarding the JAG BORE TECH .17 CAL. JAG, please refer to the manufacturer's website or contact their support team. Ensure you have your product information handy for quicker assistance.

Thank you for following these safety instructions and for your commitment to safe firearm maintenance.
