

# PROOF POSITIVE PIERCE STYLE JAGS - BORE TECH 30 CALIBER PROOF POSITIVE JAG

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rod Jags](#)

Want proof your barrel is clean? Unlike traditional brass jags that can give a "false positive" when testing barrels for copper fouling, Bore Tech makes a proprietary heavy-duty alloy jag that has excellent tensile strength and features a special coating that seals the jag to protect it against harsh chemicals and makes it 100% barrel safe. Eliminating brass with a Proof-Positive Jag will not only give you a cleaner rifle bore, but you'll save time and money by cutting back on wasted patches and chemicals. Proof-Positive Jags are precision machined to strict tolerances to provide true, concentric pressure on barrel surfaces. Get the best cleaning results by using Proof-Positive Jags with Bore Tech's Bore Stix.

## 30 CALIBER PROOF POSITIVE JAG Safety Instructions

### Introduction

Thank you for choosing the PROOF POSITIVE PIERCE STYLE JAGS BORE TECH 30 CALIBER PROOF POSITIVE JAG. This product is designed to provide effective cleaning for your firearm's barrel while ensuring safety and ease of use. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

### General Safety Guidelines

- Ensure that the product is used only for its intended purpose, which is to clean firearm barrels.
- Always handle your firearm safely and responsibly. Follow all safety guidelines related to firearm usage.
- Keep the cleaning jags out of reach of children and vulnerable individuals.
- Inspect the jag before use to ensure it is free from damage or defects.
- Do not use the jag if it shows signs of wear or damage.
- Be aware of the chemicals used in conjunction with the jag, ensuring they are safe and suitable for use.

### Specific Safety Precautions for Use

- Always ensure that your firearm is unloaded before cleaning.
- Use the jag only with compatible calibers (30 caliber).
- Avoid using excessive force when inserting or removing the jag to prevent damage to the barrel or jag.
- Do not expose the jag to extreme temperatures or harsh chemicals that may compromise its integrity.
- Follow the manufacturer's instructions for cleaning solutions to avoid reactions with the jag's coating.
- If any irritation or adverse reaction occurs while using cleaning chemicals, discontinue use immediately and seek medical attention if necessary.

### Instructions for Installation and Usage

#### 1. Preparation:

- Ensure your firearm is pointed in a safe direction and is unloaded.
- Gather necessary cleaning supplies, including cleaning patches and solvent.

#### 2. Attaching the Jag:

- Securely attach the PROOF POSITIVE JAG to the cleaning rod.
- Ensure it is tightly fastened to prevent it from detaching during use.

#### 3. Using the Jag:

- Moisten a cleaning patch with an appropriate solvent.
- Place the patch over the jag and push it into the barrel gently.
- Use a smooth, steady motion to clean the barrel, pulling the jag back out after each pass.
- Repeat as necessary until the barrel is clean.

#### 4. PostCleaning:

- After cleaning, remove the jag from the cleaning rod.

- Wipe the jag with a clean cloth to remove any residue.
- Store the jag in a safe, dry place away from children.

## Disposal Instructions

- Dispose of used cleaning patches and chemicals according to local regulations.
- Do not dispose of the jag in regular household waste if it is damaged. Follow local disposal guidelines for metal products.
- Recycle the jag if possible, ensuring it is free from any chemicals or residues.

## Contact Information for Further Support

For any inquiries or concerns regarding the PROOF POSITIVE PIERCE STYLE JAGS BORE TECH 30 CALIBER PROOF POSITIVE JAG, please refer to the manufacturer's contact details provided in the product packaging or visit the official website.

By following these safety instructions, you can ensure a safe and effective cleaning experience with your PROOF POSITIVE JAG. Thank you for prioritizing safety while maintaining your firearm.
