# DANALLEN Shotgun Cleaning Patch Holder Safety Instructions

## Introduction

Thank you for choosing the DANALLEN Shotgun Cleaning Patch Holder. This product is designed to provide a thorough and effective cleaning experience for your shotgun. To ensure safe and proper use, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always use the product in accordance with the manufacturer's instructions.
- Ensure that the product is suitable for your specific firearm type and caliber (12 Gauge).
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Stay informed about product recalls through the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Use the cleaning patch holder only with the recommended cleaning patches.
- Avoid using excessive force when inserting or removing the cleaning patch to prevent damage to the holder or bore.
- Do not use the product if it is damaged or malfunctioning.
- Ensure that the firearm is unloaded and pointed in a safe direction before cleaning.
- Follow all applicable laws and regulations regarding firearm maintenance and cleaning.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure that the shotgun is completely unloaded.
- Gather all necessary cleaning supplies, including cleaning patches and solvent.

### 2. Attaching the Patch

- Take a cleaning patch and align it with the center post of the patch holder.
- Press the patch firmly onto the center post and ensure it is secured by the spring fingers.

### 3. Cleaning the Bore

- Insert the patch holder into the bore of the shotgun.
- Move the holder back and forth gently to clean the bore walls. Avoid excessive force.
- After the first pass, remove the patch holder and check for residue. Repeat if necessary.

### 4. PostCleaning

- After cleaning, remove the patch and dispose of it properly.
- Clean the patch holder with a suitable solvent and store it in a dry place.

## Disposal Instructions

- Dispose of used cleaning patches and any other waste materials in accordance with local regulations.

- Do not dispose of the product in regular household waste. Check for local recycling options.

## **Contact Information for Further Support**
