

BORE STIX - .17 CAL. 36"

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rods](#)

Fully Coated Rod Cleans Without Scratching

Cushioned handle has 22 ball bearings inside for effortless rotation so the patch always follows the rifling. Full-length epoxy coating on spring steel rod is impervious to solvents. Index dots on the handle let you check twist rates. 6mm BR rod gives an exact fit to 6mm benchrest, varmint, and hunting rifles.

Safety Instruction Guide for BORE STIX .17 CAL. 36"

Introduction

Thank you for choosing the BORE STIX .17 CAL. 36". This product is designed for cleaning rifle barrels effectively and safely. To ensure your safety and the proper functioning of the product, please read this guide thoroughly before use.

General Safety Guidelines

- Always use the BORE STIX in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product for any damage before each use. Do not use if damaged.
- Use the product in a wellventilated area to avoid inhaling any fumes from solvents.
- Always wear appropriate safety gear, such as safety glasses and gloves, when using cleaning solvents.
- Be aware of your surroundings and ensure that no one is in close proximity while using cleaning rods.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded and pointed in a safe direction before cleaning.
- Do not apply excessive force when using the cleaning rod to avoid damaging the barrel.
- Avoid using solvents that are not compatible with the materials of the BORE STIX.
- Do not use the cleaning rod for purposes other than intended, such as prying or as a tool.
- Store the cleaning rod in a safe place after use to prevent accidents.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and in a safe position.
- Gather all necessary cleaning materials, including cleaning solvents, patches, and the BORE STIX.

2. Using the BORE STIX:

- Attach the appropriate patch to the end of the BORE STIX.
- Dip the patch in the cleaning solvent, ensuring it is adequately saturated but not dripping.
- Insert the BORE STIX into the barrel from the breech end, ensuring it follows the rifling.
- Rotate the handle gently to allow the patch to clean the interior of the barrel.
- Remove the BORE STIX after cleaning and inspect the patch for residue.

3. PostUse Care:

- Clean the BORE STIX with a suitable solvent to remove any residue.
- Dry the rod thoroughly before storing it to prevent corrosion.
- Store in a cool, dry place away from direct sunlight.

Disposal Instructions

- Dispose of any used cleaning patches and solvents according to local regulations.
- Do not dispose of the BORE STIX in regular household waste. Check with local waste management for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety or product usage, please consult the manufacturer's website or your local retailer for assistance.

By following these safety instructions, you can ensure a safe and effective cleaning process for your firearms. Thank you for your attention to these important guidelines.
