

C4 CARBON REMOVER - BORE TECH 4 OZ. C4 CARBON REMOVER

[Gun Cleaning & Chemicals](#) > [Solvents & Degreasers](#) > [Bore Solvents](#)

Sophisticated Solvents That Take The Chore Out Of Bore Cleaning

Technologically advanced, 100% biodegradable formula is environmentally safe, yet strong enough to remove the toughest carbon, lead, and moly fouling in just seconds. Ideal for rifle barrels, bolt faces, flash suppressors, compensators, silencers, chamber throats, revolver cylinders, gas pistons and any other place extreme carbon fouling is found. Will also neutralize and remove corrosive salts found in surplus military ammunition and black powder. Deep cleaning action easily penetrates the smallest crevices and other hard-to-reach areas, leaving heavily fouled parts looking factory new. For really stubborn fouling just soak in C4 Carbon Remover for a few minutes, then wipe or patch dry. Conditions the metal to help prevent future build-up. Non-flammable, odorless, ammonia free solution is safe for indoor use.

C4 CARBON REMOVER SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing C4 Carbon Remover by BORE TECH. This product is designed to effectively remove carbon, lead, and moly fouling from various firearm parts while being environmentally safe. To ensure safe and effective use, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always use C4 Carbon Remover in a wellventilated area to avoid inhaling vapors.
- Keep out of reach of children and pets.
- Do not ingest the product.
- Avoid contact with skin and eyes. In case of contact, rinse thoroughly with water.
- Store the product in a cool, dry place away from direct sunlight and heat sources.
- Dispose of the product and its container in accordance with local regulations.

Specific Safety Precautions for Use

- Before using, read the product label and safety data sheet (SDS) for detailed information.
- Use appropriate personal protective equipment (PPE), such as gloves and safety goggles, when handling the product.
- Do not mix C4 Carbon Remover with other cleaning agents or chemicals.
- If you experience any adverse reactions (e.g., dizziness, headache), discontinue use immediately and seek fresh air.
- Do not use on surfaces that are not compatible with solventbased cleaners.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove any detachable parts that require cleaning.

2. Application:

- Shake the bottle well before use.
- Apply C4 Carbon Remover directly onto the fouled areas using a clean cloth or patch.
- For stubborn fouling, allow the product to soak for a few minutes.

3. Cleaning:

- Wipe or patch the area dry after soaking.
- If necessary, repeat the application for heavily fouled parts.

4. PostCleaning Care:

- After cleaning, condition the metal surfaces to help prevent future buildup.
- Store the product safely after use.

Disposal Instructions

- Dispose of any leftover C4 Carbon Remover and its container according to local hazardous waste disposal regulations.
- Do not pour down drains or dispose of in regular trash.

Contact Information for Further Support

For any questions or concerns regarding the safe use of C4 Carbon Remover, please refer to the product packaging for contact information or consult the manufacturer's website.

Conclusion

Your safety is our priority. By following the guidelines and precautions provided in this instruction guide, you can ensure a safe and effective cleaning experience with C4 Carbon Remover. Thank you for your attention to these important safety measures.
