

# MICRO FINISH SANDING DETAILER KITS - LUMBERTON INDUSTRIES

## FINER GRIT MICRO FINISH KIT

[Gunsmith Tools](#) > [Metal Prep & Coloring](#) > [Abrasives](#) > [Abrasive Rolls & Mandrels](#)

3M Micro-Finishing Film is a fast cutting abrasive for precise, uniform, close tolerance finish. High strength polyester film backing and micron-graded aluminum oxide mineral resin is bonded for durability. This material is ideal for gunsmithing, jewelry making, watch repair, and medical devices. This material works well on both metal and plastic. Each kit contains 3 Sanding Detailers along with 15 Micro-Finishing Film Belts; 5 belts of 3 different grits. The Sanding Detailer is ideal for finishing those hard to reach areas. The abrasive belt can be indexed. The Sanding Detailer is spring loaded to put tension on the abrasive belt. After the abrasive belt is used up, simply compress the tool and replace the abrasive belt with a fresh one. They are color coded for easy identification of grit. Black: 60 Micron, 220 Grit Gray: 50 Micron, 270 Grit Red: 40 Micron, 320 Grit Green: 30 Micron, 400 Grit Yellow: 15 Micron, 600 Grit Blue: 9 Micron, 1200 Grit

### Attributes

- Name: [LUMBERTON INDUSTRIES FINER GRIT MICRO FINISH KIT](#)
- Manufacturer: [LUMBERTON INDUSTRIES](#)
- Product no.: 511000011
- Mfr. No.:
- Grit: 400,600,1200

# Safety Instruction Guide for MICRO FINISH SANDING DETAILER KITS

## Introduction

Thank you for choosing the MICRO FINISH SANDING DETAILER KITS by Lumberton Industries. This guide provides essential safety information to ensure safe and effective use of the product. Please read this guide carefully before using the product.

## General Safety Guidelines

- Always use the product in accordance with the instructions provided.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product before each use for any signs of damage or wear.
- Use appropriate personal protective equipment (PPE), including safety glasses and gloves, when using this product.
- Ensure proper ventilation in the workspace to avoid inhalation of dust and particles.
- Report any unsafe conditions or incidents to the relevant authorities.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - The abrasive belts can create fine dust particles that may be harmful if inhaled.
  - The tool's moving parts can cause injury if not handled correctly.
- **Avoiding Hazards:**
  - Do not use the product near flammable materials or in explosive atmospheres.
  - Ensure that the abrasive belt is properly secured before use to prevent accidents.
  - Do not exceed the recommended usage limits for the abrasive belts.
- **Age Specific Warnings:**
  - This product is not intended for use by children. Adult supervision is required when used near minors.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the Sanding Detailer is clean and free from any debris.
- Select an abrasive belt of the desired grit.
- Compress the Sanding Detailer to release the tension.
- Insert the new abrasive belt into the designated slot and release the tool to apply tension.
- Ensure the abrasive belt is securely in place before starting the tool.

### 2. Usage:

- Hold the Sanding Detailer firmly and position it against the surface to be finished.
- Start the tool and gently move it across the surface to achieve the desired finish.
- Avoid applying excessive pressure, as this may damage the abrasive belt or the workpiece.
- Regularly check the abrasive belt for wear during use. Replace it when it becomes worn out or ineffective.

## **Disposal Instructions**

- Dispose of used abrasive belts and the tool in accordance with local waste disposal regulations.
- Do not dispose of the product in household waste. Instead, check for local recycling programs or hazardous waste collection events.

## **Contact Information for Further Support**

For any questions or concerns regarding the MICRO FINISH SANDING DETAILER KITS, please contact your local distributor or refer to the product packaging for additional support information.

Thank you for your attention to these safety instructions. Your safety is our priority.
