

BELTED MAGNUM CARTRIDGE HEADSPACE GAUGES - MANSON PRECISION GO GAUGE FOR .240 WEATHERBY MAGNUM

[Gunsmith Tools](#) > [Measuring Tools](#) > [Headspace Gauges](#)

Determine Correct Headspace

With the exception of the .240 Weatherby Magnum, most belted, magnum cartridges are based on the .375 H&H Magnum case. Therefore, they all use the same headspace gauges. The following is a partial listing of those cartridges which use the same Belted Magnum Headspace Gauges: .257 Weatherby Mag., 6.5 Rem. Mag., .264 Win. Mag., .270 Weatherby Mag., 7mm Rem. Mag., 7mm Weatherby Mag., 7mm STW, .300 H&H Mag., .300 Weatherby Mag., .300 Win. Mag., .30-.338 Win. Mag., .308 Norma Mag., 8mm Rem., .338 Win. Mag., .340 Weatherby Mag., .350 Rem. Mag., .358 Norma Mag., .375 H&H Mag., .416 Rem. Mag., .458 Win. Mag.

MIXING AND MATCHING BRANDS OF HEADSPACE GAUGES - Don't do it!! That's the short answer, here's why. It boils down to tolerance stacking. Each Headspace Gauge manufacturer works within a range specified by SAAMI. Manufacturer "A" may work at the high end of the range while Manufacturer "B's" gauges are in the middle of the tolerance range. Mixing the two could give an inaccurate reading. By sticking with one brand within a particular caliber, you will eliminate a variable. If you have a Forster, .308 GO gauge, get a Forster, .308 NO GO. Use Clymer with Clymer and Manson Precision with Manson Precision, etc. You can use any brand of headspace gauge with any other brand of chambering reamer. e.g. Forster Headspace Gauges with Clymer Reamers, Manson Precision Gauges with JGS Reamers, etc.

Attributes

- Name: [MANSON PRECISION GO GAUGE FOR .240 WEATHERBY MAGNUM](#)
- Manufacturer: [MANSON PRECISION](#)
- Product no.: 513000041
- Mfr. No.: G240WHB
- Cartridge: 240 Weatherby Magnum
- Colour: Steel
- Material: Steel
- Model Number: 240 Weatherby Magnum Go
- Style: Go Gauge
- Delivery weight: 0.005kg
- Shipping width: 57mm
- Shipping length: 89mm

Safety Instruction Guide for Belted Magnum Cartridge Headspace Gauges

Introduction

Thank you for purchasing the Belted Magnum Cartridge Headspace Gauge by Manson Precision for the .240 Weatherby Magnum. This guide provides essential safety instructions, general guidelines, and specific precautions to ensure safe and effective use of the product. Please read this guide carefully before use.

General Safety Guidelines

- **Product Safety:** Always ensure safe use of the headspace gauge. Follow all instructions provided.
- **Enhanced Recalls:** Stay informed about product recalls. Check the EU's Safety Gate platform for updates.
- **Online Shopping Protections:** If purchased online, verify that the seller complies with safety requirements.
- **Special Consumer Focus:** Extra care should be taken when using this product around vulnerable groups, particularly children.
- **EU Contact Point:** For any safety inquiries, refer to the designated EU contact point.
- **Rapid Alerts:** Be aware of the Safety Gate system for quick updates regarding unsafe products.

Specific Safety Precautions for Use

- **Avoid Mixing Brands:** Do not mix headspace gauges from different manufacturers. This can lead to inaccurate measurements due to tolerance stacking.
- **Use Correct Gauges:** Always use the same brand for both GO and NO GO gauges. For example, if you have a Forster .308 GO gauge, use a Forster .308 NO GO gauge.
- **Compatibility with Reamers:** You may use any brand of headspace gauge with any brand of chambering reamer.
- **Inspect Before Use:** Always inspect the gauge for any signs of damage or wear before use. Do not use damaged gauges.
- **Proper Handling:** Handle the gauge with care to prevent dropping or damaging it.

Instructions for Installation and Usage

1. **Read the Manual:** Before using the gauge, ensure you understand all instructions in this guide.
2. **Calibration Check:** Before each use, check that the gauge is calibrated correctly. Refer to the manufacturer's instructions for calibration procedures.
3. **Using the Gauge:**
 - Insert the GO gauge into the chamber of the firearm.
 - Ensure that it fits snugly without excessive force.
 - Repeat the process with the NO GO gauge.
 - Record the results for reference.
4. **Cleaning:** After use, clean the gauge according to the manufacturer's recommendations to maintain accuracy and longevity.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not throw the gauge in regular household waste.
- Contact your local waste management authority for proper disposal methods.

Contact Information for Further Support

For additional support or inquiries regarding safety, please refer to the designated EU contact point.

By following these guidelines, you will ensure safe and effective use of your Belted Magnum Cartridge Headspace Gauge. Thank you for prioritizing safety!
