### Outstanding Quality Reamers By Dave Manson Help You Produce Accurate Chambers

Engineered and ground by one of the most respected names in firearms reamers, Dave Manson. Superb quality reamers made to SAAMI specifications, ground from M7 steel to cut precise chambers capable of outstanding accuracy. Finish Chambering Reamers feature integral throater and solid, fixed pilots. Throating Reamers let you customize a chambering job for non-standard bullets or additional freebore length. Available as finish reamers unless listed otherwise.

# Safety Instruction Guide for RIMMED PISTOL CARTRIDGES MANSON PRECISION RIMLESS/RIMMED PISTOL CARTRIDGE, .38.40 WCF (BBL)

## Introduction

Thank you for choosing the RIMMED PISTOL CARTRIDGES MANSON PRECISION RIMLESS/RIMMED PISTOL CARTRIDGE, .38.40 WCF (BBL). This product is designed for use with specific firearms and is intended for responsible consumers who prioritize safety. This guide provides essential safety information, usage instructions, and disposal guidelines to ensure your safety and compliance with EU regulations.

## General Safety Guidelines

- Always handle ammunition with care and respect.
- Store cartridges in a cool, dry place away from direct sunlight and heat sources.
- Keep cartridges out of reach of children and unauthorized users.
- Inspect cartridges for damage or defects before use.
- Use only in firearms that are specifically designed for .38.40 WCF cartridges.
- Follow all local laws and regulations regarding ammunition possession and use.
- Never modify ammunition or firearms.

## Specific Safety Precautions for Use

- **Age Restrictions:** This product is intended for use by individuals 18 years or older. Ensure that all users are of legal age.
- **Proper Handling:**
  - Always treat every cartridge as if it is live.
  - Do not point firearms at anything you do not intend to shoot.
- **Usage Environment:**
  - Use in a wellventilated area to avoid inhalation of any fumes.
  - Ensure that the shooting range or location is safe and approved for use.
- **Emergency Procedures:**
  - In case of a misfire, wait at least 30 seconds before attempting to remove the cartridge.
  - Follow emergency protocols as advised by local authorities or shooting range personnel.

## Instructions for Installation and Usage

- **Installation:**
  - Ensure that your firearm is unloaded before attempting to load cartridges.
  - Insert cartridges into the magazine or chamber as per the firearm manufacturer's instructions.
- **Usage Instructions:**
  - Always wear appropriate eye and ear protection while shooting.
  - Keep your finger off the trigger until you are ready to shoot.
  - Maintain a firm grip on the firearm and be aware of your surroundings.
  - After shooting, safely unload the firearm and inspect for any issues.

## Disposal Instructions

- Dispose of unused or damaged cartridges in accordance with local regulations.
- Do not throw cartridges in regular trash.

- Check for local hazardous waste disposal sites or special collection events for ammunition.

## **Contact Information for Further Support**

For safety inquiries or additional information regarding this product, please refer to the manufacturer's website or contact your local authorities. It is important to stay informed about any recalls or safety alerts related to this product.

## **Conclusion**

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with the RIMMED PISTOL CARTRIDGES MANSON PRECISION RIMLESS/RIMMED PISTOL CARTRIDGE, .38.40 WCF (BBL). Always prioritize safety and stay informed about best practices for handling and using ammunition. Thank you for your attention to these important safety measures.
