Instruction Guide

Introduction

Thank you for choosing the RIMLESS RIFLE CARTRIDGE, .33806 by Manson Precision. This safety instruction guide is designed to ensure the safe use of your product in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before using the product.

General Safety Guidelines

- Always handle firearms and ammunition with care and respect.
- Ensure that you are in compliance with local laws and regulations regarding the use of firearms and ammunition.
- Keep the product out of reach of children and unauthorized individuals.
- Regularly inspect the product for any signs of damage or wear.
- Store the product in a secure location to prevent unauthorized access.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Use only the recommended reamers for your specific firearm model to avoid potential hazards.
- Always wear appropriate safety gear, including eye protection, when using the reamer.
- Ensure that the work area is clean and free of obstructions to prevent accidents.
- Do not exceed the manufacturer's specifications for the reamer to avoid damage or injury.
- Be aware of the potential for sharp edges and moving parts when handling the reamer.
- Do not attempt to modify or alter the reamer in any way.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and safety equipment before beginning the installation.
- Ensure that the firearm is unloaded and safe to work on.

2. Installation:

- Secure the reamer in a suitable reamer holder or drill press.
- Align the reamer with the chamber of the firearm.
- Slowly and carefully begin the reaming process, applying consistent pressure without forcing the tool.

3. Usage:

- Monitor the reaming process closely to ensure that the chamber is being cut evenly.
- Periodically check the reamer for wear and damage during use.
- Once the desired chamber depth is achieved, remove the reamer and clean any debris from the chamber.

Disposal Instructions

- Dispose of any damaged or worn reamers in accordance with local regulations.
- Do not dispose of reamers in regular household waste; check for local recycling or hazardous waste disposal options.
- Ensure that all packaging materials are disposed of responsibly.
