

LIVE PILOT FINISH CHAMBER REAMER - MANSON PRECISION .30/06 LIVE PILOT REAMER

[Gunsmith Tools](#) > [Barrel Tools](#) > [Reamers](#) > [Centerfire Reamers](#)

Cuts A Smooth, Precise Chamber With Less Chance Of Rifling Damage

Removable (live) pilot greatly reduces the risk of scratching the lands when cutting the chamber to final dimensions, so you get the best possible chambering job for maximum accuracy. Snug-fitting pilot helps provide extra-stable "live center" alignment to maintain proper chamber-to-bore alignment. Precision ground from high speed M7 tool steel for smooth, clean cutting and maximum service life. Includes one pilot for caliber listed.

LIVE PILOT FINISH CHAMBER REAMER MANSON PRECISION .30/06 Safety Instruction Guide

Introduction

Thank you for choosing the LIVE PILOT FINISH CHAMBER REAMER MANSON PRECISION .30/06. This product is designed for precision chambering in firearms. It is important to follow all safety guidelines and instructions to ensure safe and effective use. This guide complies with the EU General Product Safety Regulation (GPSR) and provides essential information for your safety.

General Safety Guidelines

- Ensure that the reamer is used only by qualified individuals trained in firearm chambering and machining.
- Always wear appropriate personal protective equipment (PPE), including safety glasses and gloves, when using the reamer.
- Keep the reamer out of reach of children and unauthorized persons.
- Inspect the reamer before each use for any signs of damage or wear. Do not use a damaged tool.
- Always use the reamer in a wellventilated area to avoid inhaling any dust or debris generated during use.
- Follow all local laws and regulations regarding firearms and tools.

Specific Safety Precautions for Use

• Hazard Identification:

- The reamer can produce sharp metal shavings that may cause cuts or injuries.
- Improper use may lead to misalignment, resulting in damage to the firearm.

• Avoiding Hazards:

- Use the reamer only for its intended purpose.
- Ensure that the workpiece is securely clamped before starting the reaming process.
- Do not force the reamer; let it cut at its own pace to avoid overheating or damage.
- Always keep hands and other body parts away from the cutting area while the reamer is in operation.
- If you experience any unusual vibrations or noises, stop using the reamer immediately and inspect it.

• Age Specific Warnings:

- This product is not intended for use by individuals under the age of 18. Ensure that all users are of legal age and possess the necessary skills to operate this tool safely.

Instructions for Installation and Usage

• Installation:

1. Ensure that the reamer is clean and free of debris before installation.
2. Insert the square drive shank of the reamer into the appropriate drill or machine.
3. Secure the reamer in place, ensuring it is tightly fastened to prevent movement during use.

• Usage:

1. Position the workpiece securely in a vise or clamp.

2. Align the reamer with the chamber of the firearm to maintain proper chamber/tobore alignment.
3. Start the drill or machine at a low speed to ensure accuracy.
4. Gradually increase the speed as needed, allowing the reamer to cut smoothly.
5. Periodically withdraw the reamer to remove metal shavings and prevent clogging.
6. Once the chambering is complete, turn off the machine and carefully remove the reamer.

Disposal Instructions

- Dispose of the reamer and any metal shavings in accordance with local regulations regarding metal waste.
- Do not dispose of the reamer in regular household waste. Check with local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the use of the LIVE PILOT FINISH CHAMBER REAMER MANSON PRECISION .30/06, consult the manufacturer's website or contact their customer support for assistance.

By following these safety instructions, you can ensure a safe and effective experience with your reamer. Thank you for your attention to safety, and enjoy your precision chambering work!
