# REAMER/TAP BUSHINGS MANSON PRECISION 12 GAUGE .729" BUSHING Safety Instruction Guide

## Introduction

Thank you for purchasing the REAMER/TAP BUSHINGS MANSON PRECISION 12 GAUGE .729" BUSHING. This guide provides essential safety instructions and guidelines to ensure safe and effective use of the product. Please read this document carefully to understand how to handle, install, and dispose of the bushing safely.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always inspect the bushing for any signs of damage or wear before use.
- Keep the product out of reach of children and vulnerable individuals.
- Follow all instructions provided in this guide to avoid accidents or injuries.
- Report any unsafe conditions or incidents to the relevant authorities.

## Specific Safety Precautions for Use

- Use protective gear such as gloves and safety goggles when handling the bushing.
- Avoid using excessive force when turning the blank bushing to fit odd diameters.
- Do not use the bushing if it appears damaged or defective.
- Ensure that the work area is clean and free from distractions while using the bushing.
- Do not leave the bushing unattended while in use.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools and equipment before starting the installation.
- Ensure that the work area is welllit and organized.

### 2. Installation

- Select the appropriate reamer or tap for the task.
- If necessary, turn the blank bushing to fit the desired diameter.
- Carefully attach the bushing to the reamer or tap, ensuring a secure fit.

### 3. Usage

- Use the bushing according to the specifications provided.
- Monitor the process closely for any irregularities or issues.
- After completing the task, remove the bushing carefully to avoid injury.

## Disposal Instructions

- Dispose of the bushing in accordance with local regulations for metal waste.
- Do not throw the bushing in regular household waste.
- If the bushing is damaged or no longer usable, consider recycling options.
