REAMER/TAP BUSHINGS MANSON PRECISION MANSON BLANK BUSHING Safety Instructions

Introduction

Thank you for choosing the REAMER/TAP BUSHINGS MANSON PRECISION MANSON BLANK BUSHING. This product is designed for precision applications in reaming and tapping. To ensure safe and effective use, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure that all users are familiar with the product and its intended use.
- Always use the product in accordance with the manufacturer's guidelines.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product before each use for any signs of damage or wear.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), such as safety goggles and gloves, when using the bushing.
- Avoid using the bushing with excessive force or pressure, as this may lead to breakage or injury.
- Ensure that the bushing is securely attached to the tool before use to prevent accidents.
- Do not modify or alter the bushing in any way that may compromise its safety or functionality.
- Use the bushing only for its intended purpose, which is to fit reamers and taps.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the work area is clean and free from distractions.
- Gather all necessary tools and equipment before starting.

2. Installation:

- Select the appropriate reamer or tap for your application.
- Insert the blank bushing into the tool, ensuring it is properly aligned and seated.
- Tighten the securing mechanism to hold the bushing in place.

3. Usage:

- Start the tool at a low speed to ensure stability.
- Gradually increase the speed as needed, maintaining control of the tool at all times.
- If you need to fit odd diameters, carefully turn the blank bushing to achieve the desired size.
- Monitor the bushing and tool for any signs of overheating or abnormal noise during operation.

4. Post Use Care:

- After use, turn off the tool and allow it to cool down before handling.
- Clean the bushing and tool to remove any debris or residue.
- Store the bushing in a safe and dry place, away from children.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding metal and electronic waste.
- Do not dispose of the product in regular household waste.
- Consider recycling the product if possible.

Contact Information for Further Support

For any safety inquiries or further assistance, please refer to the contact details provided with your product packaging or consult the manufacturer's website.
