[Gunsmith Tools](#) > [Barrel Tools](#) > [Reamers](#) > [Centerfire Reamers](#)

Outstanding Quality Reamers By Dave Manson Help You Produce Accurate Chambers

Engineered and ground by one of the most respected names in firearms reamers, Dave Manson. Superb quality reamers made to SAAMI specifications, ground from M7 steel to cut precise chambers capable of outstanding accuracy. Finish Chambering Reamers feature integral throater and solid, fixed pilots. Throating Reamers let you customize a chambering job for non-standard bullets or additional freebore length. Available as finish reamers unless listed otherwise.

RIMLESS RIFLE CARTRIDGE, .260 REMINGTON

FINISHER Safety Instruction Guide

Introduction

Thank you for choosing the RIMLESS RIFLE CARTRIDGE, .260 REMINGTON FINISHER by MANSON PRECISION. This guide provides essential safety instructions to ensure safe handling and use of the product, in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before use.

General Safety Guidelines

- Ensure that all users are familiar with firearm safety practices.
- Always handle cartridges with care and respect.
- Store cartridges in a cool, dry place away from direct sunlight and moisture.
- Keep cartridges out of reach of children and unauthorized individuals.
- Regularly inspect cartridges for any signs of damage or defects before use.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when using firearms.
- Ensure that the firearm is compatible with the .260 Remington cartridge before use.
- Never exceed the recommended load specifications provided by the firearm manufacturer.
- Avoid using damaged or defective cartridges.
- Do not modify cartridges in any way, as this can lead to dangerous malfunctions.
- Be aware of your surroundings and ensure that the shooting area is safe and secure.

Instructions for Installation and Usage

- **Installation:**

- Ensure that the firearm is unloaded before installing the cartridge.
- Insert the cartridge into the chamber of the firearm according to the manufacturer's instructions.
- Ensure that the cartridge is seated properly and securely.

- **Usage:**

- Always follow standard firearm safety protocols when using the cartridge.
- Aim the firearm in a safe direction and ensure that the shooting area is clear.
- Fire the cartridge only when you are ready and it is safe to do so.
- After firing, check for any malfunctions or issues with the cartridge or firearm.

Disposal Instructions

- Dispose of used cartridges in accordance with local regulations.
- Do not throw cartridges in regular trash; instead, use designated hazardous waste disposal methods.
- Ensure that cartridges are completely empty before disposal.
- Contact local authorities for information on proper disposal methods in your area.

Contact Information for Further Support

For any safety inquiries or additional information regarding the RIMLESS RIFLE CARTRIDGE, please refer to the official website or contact your local dealer for assistance.

By following these safety instructions, you contribute to a safer environment while enjoying the use of your RIMLESS RIFLE CARTRIDGE. Your safety is our priority. Thank you for your attention to these guidelines.
