Introduction

Thank you for choosing the RIMLESS RIFLE CARTRIDGES MANSON PRECISION RIMLESS RIFLE CARTRIDGE, .35 WHELEN FINISHER. This product is engineered to provide outstanding accuracy and performance. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always treat all firearms and ammunition as if they are loaded.
- Store ammunition in a cool, dry place away from direct sunlight and moisture.
- Keep ammunition out of reach of children and unauthorized users.
- Inspect your reamers and cartridges for damage before use.
- Follow all local laws and regulations regarding firearm and ammunition use.
- Use appropriate personal protective equipment (PPE) when handling firearms and ammunition.
- Be aware of your surroundings and ensure a safe environment before using firearms.

Specific Safety Precautions for Use

- Ensure that the reamer is compatible with your firearm and intended cartridge.
- Use the reamer only for its intended purpose; do not modify or alter it.
- Always use the proper tools and techniques when chambering to avoid accidents.
- Avoid using excessive force when operating the reamer; let the tool do the work.
- Be cautious of hot surfaces; reamers can become hot during use.
- If you experience any malfunctions or issues, cease use immediately and consult a professional.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and materials before starting.
- Ensure that you are in a wellventilated area and wearing appropriate PPE.

2. Installation:

- Install the reamer into the appropriate machine or tool according to the manufacturer's instructions.
- Ensure that the reamer is securely attached and properly aligned.

3. Usage:

- Begin chambering by following the specific instructions for your firearm.
- Apply consistent pressure while operating the reamer.
- Regularly check for any signs of wear or damage during use.
- After completing the chambering, clean the reamer and surrounding area.

Disposal Instructions

- Dispose of any damaged or worn reamers and cartridges in accordance with local regulations.
- Never throw ammunition in the regular trash; contact local authorities for proper disposal methods.
- Recycle metal components where applicable, following local recycling guidelines.

Contact Information for Further Support
