THROATING REAMERS MANSON PRECISION 25

THROATING REAMER Safety Instructions

Introduction

Thank you for choosing the THROATING REAMERS MANSON PRECISION 25 THROATING REAMER. This guide provides essential safety information and instructions to ensure the safe and effective use of this product. It is designed to comply with the EU General Product Safety Regulation (GPSR) to protect consumers.

General Safety Guidelines

- Always use the product in accordance with the manufacturer's instructions.
- Ensure that the reamer is suitable for your application before use.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product for any damage before use. Do not use if damaged.
- Store the product in a safe, dry place when not in use.
- Report any unsafe conditions or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using the reamer.
- Ensure that the work area is clean and free from hazards.
- Use the reamer only for its intended purpose; do not modify or alter the tool.
- Avoid contact with moving parts during operation to prevent injury.
- Always secure the workpiece properly before using the reamer.
- Do not exceed the recommended speeds and feeds for your specific application.
- Be aware of the risk of metal shavings and debris during operation; take necessary precautions to avoid injury.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools and equipment before starting.
- Ensure that the reamer is compatible with the specific chamfering job you are performing.

2. Installation

- Securely mount the reamer into a compatible drill or machine.
- Ensure that the reamer is properly aligned with the workpiece.

3. Usage

- Begin operation at a low speed to ensure proper cutting.
- Gradually increase speed as needed, monitoring the performance of the reamer.
- Apply consistent pressure without forcing the tool; allow the reamer to do the work.
- Periodically check the progress and adjust as necessary to maintain precision.

4. PostUsage

- Once finished, carefully remove the reamer from the workpiece.
- Clean the reamer to remove any metal shavings or debris.

- Store the reamer in its protective case or designated storage area.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- If the product is no longer usable, consider recycling any metal components where applicable.
- Do not dispose of the product in regular household waste.

Contact Information for Further Support

For any safety inquiries or further assistance, please refer to the manufacturer's customer support resources. Ensure you have the product details ready for efficient service.

Thank you for prioritizing safety while using the THROATING REAMERS MANSON PRECISION 25 THROATING REAMER. Your adherence to these guidelines will help ensure a safe and effective experience.
