Determine Correct Headspace

MANSON PRECISION RIMFIRE CARTRIDGE HEADSPACE GAUGES The Manson Precision Rimfire Cartridge Headspace Gauges are critical tools for gunsmiths and firearm enthusiasts, designed to precisely measure the headspace of rimfire cartridges. Proper headspace is essential for safe and reliable firearm operation, and these gauges help verify that your firearm's chamber dimensions meet specified tolerances. **Key Features:** **Precision Measurement:** Expertly crafted to ensure accurate headspace readings for rimfire cartridges, enhancing firearm performance. **Durable Construction:** Manufactured from M7 high-speed steel and finished in-the-white, these gauges provide long-lasting durability and resistance to wear. **Cartridge Compatibility:** Specifically designed for popular rimfire cartridges, including .22 Long Rifle, .22 Magnum, and .17 HMR, offering versatility across different firearm types. **Specifications:** **Material:** M7 high-speed steel **Finish:** In-the-white **Cartridge Compatibility:** .22 Long Rifle .22 Magnum .17 HMR **Gauge Types:** **GO Gauge:** Confirms the minimum chamber depth recommended for safe firearm operation. **NO-GO Gauge:** Detects excessive chamber depth to identify potential safety or performance issues. **Customer Insights:** Customers value the Manson Precision Rimfire Cartridge Headspace Gauges for their accuracy and dependability. These gauges are often highlighted as essential tools for maintaining safe and functional rimfire firearms, ensuring precise and reliable performance during operation. By adding the Manson Precision Rimfire Cartridge Headspace Gauges to your gunsmithing tools, you can confidently maintain proper headspace and enhance the safety and performance of your rimfire firearms.

Attributes

- Name: [MANSON PRECISION NO GO GAUGE FITS .17 HM2 STEEL](#)
- Manufacturer: [MANSON PRECISION](#)
- Product no.: 513100029
- Mfr. No.: NONE
- Cartridge: 17 Mach 2
- Colour: Steel
- Height: 2"
- Length: 2"
- Material: High Speed Steel
- Model Number: No Go Gauge .17 HM2
- Style: No Go Gauge
- Weight: 0.1 lbs
- Width: 2"
- Delivery weight: 0.005kg
- Shipping width: 57mm
- Shipping length: 89mm

Safety Instruction Guide for RIMFIRE CARTRIDGE HEADSPACE GAUGES MANSON PRECISION NO GO GAUGE FITS .17 HM2 STEEL

Introduction

Thank you for choosing the RIMFIRE CARTRIDGE HEADSPACE GAUGES MANSON PRECISION NO GO GAUGE FITS .17 HM2 STEEL. This guide provides essential safety instructions and information to ensure the safe use of this product. Please read this guide carefully before using the headspace gauge.

General Safety Guidelines

- **Product Safety:** This headspace gauge is designed to ensure safe use in firearms. It is essential to follow all safety instructions to prevent accidents and injuries.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices regarding this product. You can check for updates on the EU's Safety Gate platform.
- **Online Shopping:** If you purchased this product online, ensure that the seller complies with safety regulations applicable to physical stores.
- **Special Consumer Focus:** This product is not intended for use by children. Keep it out of reach of minors to prevent accidental misuse.
- **EU Contact Point:** For any safety inquiries, you should contact the seller or manufacturer directly.
- **Rapid Alerts:** Be alert for any notifications regarding unsafe products, and take immediate action if you receive such information.

Specific Safety Precautions for Use

- **Do Not Mix Brands:** Always use headspace gauges from the same manufacturer within a particular caliber to avoid inaccurate readings due to tolerance stacking.
- **Check for Damage:** Inspect the gauge for any signs of damage before use. Do not use a damaged gauge as it may provide incorrect measurements.
- **Follow Manufacturer Instructions:** Always adhere to the specific instructions provided by the manufacturer regarding the use of this gauge.
- **Use Protective Equipment:** Wear appropriate eye protection when using firearms to safeguard against potential hazards.
- **Store Safely:** Keep the gauge in a secure location when not in use to prevent unauthorized access and potential accidents.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and in a safe condition before using the gauge.
- Gather necessary tools and equipment for the measurement process.

2. Using the NO GO Gauge:

- Insert the NO GO gauge into the chamber of the firearm.
- If the gauge does not fully chamber, the firearm is safe to use. If it does chamber, this indicates excessive chamber depth and an unsafe condition.

3. Record Measurements:

- Document the measurements taken with the gauge for future reference.
- If you encounter any discrepancies, consult a qualified gunsmith.

4. **PostUse Care:**

- Clean the gauge after use to maintain its precision and longevity.
- Store the gauge in its original packaging or a secure place to prevent damage.

Disposal Instructions

- **Dispose of Responsibly:** If you need to dispose of the gauge, do so in accordance with local regulations regarding metal and hazardous materials.
- **Recycling:** Consider recycling the gauge if possible, as this contributes to environmental sustainability.

Contact Information for Further Support

For any questions or concerns regarding the use of the RIMFIRE CARTRIDGE HEADSPACE GAUGES MANSON PRECISION NO GO GAUGE FITS .17 HM2 STEEL, please refer to the contact details provided by your retailer or manufacturer. They will be able to assist you with any inquiries related to safety or product information.

By following these safety instructions, you can ensure a safe and effective experience with your RIMFIRE CARTRIDGE HEADSPACE GAUGES MANSON PRECISION NO GO GAUGE FITS .17 HM2 STEEL. Thank you for your attention to safety.
