# SMALL PARTS BLUING BASKET Safety Instruction Guide

## Introduction

Thank you for choosing the SMALL PARTS BLUING BASKET by L&R MFG. This guide provides essential safety instructions to ensure the safe use of the product. Please read this document carefully before using the basket.

## General Safety Guidelines

- Ensure the basket is used only for its intended purpose: to hold small parts during bluing and parkerizing processes.
- Regularly inspect the basket for any signs of wear or damage before each use.
- Keep the basket out of reach of children and vulnerable individuals to prevent accidents.
- Do not exceed the recommended load capacity to avoid accidents or damage to the basket.
- Always follow local regulations regarding the use and disposal of chemicals associated with bluing and parkerizing.

## Specific Safety Precautions for Use

- **Hazard Identification:**

- The basket may become hot during use; handle with care to avoid burns.
- Chemicals used in bluing and parkerizing may be hazardous; always wear appropriate personal protective equipment (PPE).

- **Avoiding Hazards:**

- Use gloves when handling the basket or any chemicals.
- Ensure the area is wellventilated when using chemicals.
- Do not attempt to modify or repair the basket; contact the manufacturer for assistance.

## Instructions for Installation and Usage

- **Installation:**

1. Ensure the bluing or parkerizing tank is clean and free of debris.
2. Place the basket gently into the tank, ensuring it is stable and balanced.

- **Usage:**

1. Load small parts into the basket, ensuring they are evenly distributed.
2. Squeeze the springloaded handle to open the basket for loading.
3. Once loaded, release the handle to secure the parts inside.
4. Submerge the basket in the bluing or parkerizing solution, ensuring it is fully submerged for optimal results.
5. After the process is complete, carefully remove the basket from the tank, using gloves if necessary to avoid burns.

## **Disposal Instructions**

- Dispose of the basket in accordance with local regulations.
- If the basket is damaged or no longer usable, contact the manufacturer for guidance on disposal.
- Ensure that any chemicals used in conjunction with the basket are disposed of according to safety regulations.

## **Contact Information for Further Support**

For safety inquiries or support regarding the SMALL PARTS BLUING BASKET, please contact the manufacturer directly. Ensure you have the product details available for reference.

Please follow these guidelines to ensure safe and effective use of your SMALL PARTS BLUING BASKET. Your safety is our priority.
