Safety Instruction Guide for LEWIS LEAD REMOVER FOR RIFLES & SHOTGUNS

Introduction

Thank you for choosing the Lewis Lead Remover Kit for 44/45 Caliber. This product is designed to effectively remove lead and wad fouling from your rifle or shotgun. It is important to follow the safety guidelines and instructions outlined in this manual to ensure safe and effective use.

General Safety Guidelines

- Always read and understand the safety instructions before using the product.
- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of damage or wear before use.
- Report any unsafe products or incidents to the relevant authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use the product in a wellventilated area to avoid inhalation of any dust or debris.
- Wear appropriate personal protective equipment (PPE), including safety glasses and gloves, when using the product.
- Avoid contact with skin and eyes. If contact occurs, rinse immediately with plenty of water and seek medical advice if necessary.
- Do not use the product if you are under the influence of drugs or alcohol.
- Follow all instructions carefully to avoid potential hazards associated with improper use.

Instructions for Installation and Usage

1. Preparation:

- Ensure that your firearm is unloaded and pointed in a safe direction before starting the cleaning process.
- Gather all necessary materials, including the Lewis Lead Remover Kit, cleaning rod, and JB Bore Cleaner.

2. Using the Product:

- Attach the rubber tip with 832 threads to your cleaning rod.
- Insert the specially woven brass patches into the bore of the firearm.
- Use the cleaning rod to push the patches through the bore, removing lead and plastic deposits.
- Repeat the process as necessary until the bore is clean.

3. PostUse Cleaning:

- After using the lead remover, follow up with JB Bore Cleaner for a thorough cleaning.
- Dispose of used patches and any waste materials in accordance with local regulations.

4. Storage:

- Store the product in a cool, dry place, away from direct sunlight and moisture.
- Ensure that the product is securely closed and out of reach of children.

Disposal Instructions

- Dispose of the product and any materials used in accordance with local waste disposal regulations.
- Do not dispose of the product in regular household waste if it contains hazardous materials. Check with local authorities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the use of this product, please refer to the contact information provided by the manufacturer. It is important to have access to support for safety inquiries and product information.

By following these safety instructions, you can ensure a safe and effective cleaning process for your rifle or shotgun. Thank you for your attention to these important guidelines.
