Safety Instruction Guide for the LEWIS LEAD REMOVER BROWNELLS LEWIS LEAD REMOVER 9MM, 38/357 CALIBER BRASS PATCHES 10/PACK

Introduction

Thank you for choosing the Lewis Lead Remover by Brownells. This product is designed to effectively remove lead fouling from your pistol's forcing cone, barrel, and chamber, ensuring optimal accuracy and performance. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Always use the product according to the instructions provided.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check for any signs of wear or damage to the product before use.
- Report any unsafe products or accidents to the relevant authorities.
- Stay updated on product recalls through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure the firearm is unloaded before using the lead remover.
- Always wear safety goggles to protect your eyes from debris.
- Use gloves to protect your hands from lead exposure.
- Do not use the lead remover on any firearm not specified by the manufacturer.
- Avoid using excessive force when using the lead remover to prevent damage to the firearm.
- Follow all local regulations regarding the handling and disposal of lead materials.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is completely unloaded.
- Gather all necessary components: handle, cone tip, rubber tip, and brass patches.

2. Installation:

- Attach the cone tip or rubber tip to the handle securely.
- Ensure that the tip is firmly in place to prevent it from detaching during use.

3. Usage:

- Insert the tip into the barrel or chamber where lead fouling is present.
- Gently twist and pull the handle to remove lead deposits. Do not force the tool.
- Use the specially woven brass patches as needed to further clean the area.
- After cleaning, use JB Bore Cleaner for a leadfree finish.

4. PostUse Care:

- Clean the lead remover components after each use to prevent contamination.
- Store the product in a dry place away from direct sunlight and moisture.

Disposal Instructions

- Dispose of any lead materials and brass patches according to local regulations for hazardous waste.
- Do not dispose of lead materials in regular trash.
- Consult local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the Lewis Lead Remover, please refer to the product packaging for contact details or visit the manufacturer's website for more information.

Thank you for prioritizing safety while using the Lewis Lead Remover. Proper care and adherence to these safety instructions will ensure a safe and effective cleaning experience.
