# Consumer Safety Instruction Guide for Weatherby Mark V Long Action Standard Duty 1Piece Scope Base

## Introduction

Thank you for choosing the Weatherby Mark V Long Action Standard Duty 1Piece Scope Base. This guide provides essential safety instructions to ensure the safe use and installation of your scope base. Please read this guide carefully before using the product.

## General Safety Guidelines

- Ensure you are familiar with the scope base and its components before installation.
- Always follow the manufacturer's instructions for installation and usage.
- Use the product only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the scope base for signs of wear or damage.
- If you notice any defects or issues, discontinue use immediately and seek assistance.

## Specific Safety Precautions for Use

- Do not exceed the recommended torque specifications when securing the scope base to your rifle.
- Avoid using excessive force during installation, as this may damage the base or your rifle.
- Ensure that your rifle is unloaded and pointed in a safe direction before attaching the scope base.
- Be cautious of sharp edges during installation and handling.
- Do not modify the scope base in any way, as this may compromise its safety and effectiveness.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools, including a torque wrench and appropriate screwdrivers.
- Ensure your workspace is clean and free of distractions.

### 2. Installation:

- Place the Weatherby Mark V Long Action Scope Base on the rifle's receiver, aligning it with the mounting holes.
- Insert screws into the predrilled holes of the base.
- Using a torque wrench, tighten the screws to the manufacturer's recommended torque specifications.
- Doublecheck the alignment of the scope base and ensure it is securely fastened.

### 3. Usage:

- Once installed, mount your optic to the scope base following the optic manufacturer's instructions.
- Regularly check the tightness of the screws to ensure the scope remains securely attached during use.

## **Disposal Instructions**

- When the scope base has reached the end of its life or is no longer in use, dispose of it in accordance with local regulations.
- Do not dispose of the product in household waste. Instead, consider recycling options where available.
