RIMFIRE BORE GUIDE POSSUM HOLLOW ANSCHUTZ MODEL 54 Safety Instruction Guide

Introduction

Thank you for choosing the RIMFIRE BORE GUIDE POSSUM HOLLOW ANSCHUTZ MODEL 54. This guide provides essential safety information to ensure the safe and effective use of this product. Please read this guide carefully before using the bore guide.

General Safety Guidelines

- Ensure the product is used only for its intended purpose as a cleaning rod guide for scoped rifles.
- Always check the bore guide for any signs of damage or wear before use.
- Keep the bore guide out of reach of children and vulnerable individuals.
- Use in a wellventilated area to avoid inhalation of cleaning solvents.
- Follow all manufacturer instructions for cleaning and maintaining your firearm.

Specific Safety Precautions for Use

- **Hazard Identification:**

- The bore guide is designed to keep cleaning solvents out of the action and trigger. Ensure that it is properly inserted to prevent any spillage.
- The large funnellike opening is intended for easy starting of brushes and patches. Avoid forcing brushes or patches to prevent damage.

- **Avoiding Hazards:**

- Do not use the bore guide with excessive force, as this may cause breakage or injury.
- Always ensure your firearm is unloaded before using the bore guide.
- Keep the cleaning area clear of flammable materials when using solvents.

Instructions for Installation and Usage

1. Preparation:

- Ensure your firearm is completely unloaded and in a safe condition.
- Gather your cleaning supplies, including solvent, brushes, and patches.

2. Installation:

- Insert the bore guide into the chamber of your firearm.
- Ensure that the clearance cut for ejectors is aligned properly.
- Confirm that the bore guide is seated securely to prevent movement during cleaning.

3. Usage:

- Begin cleaning by inserting the brush or patch through the funnellike opening of the bore guide.
- Use gentle, consistent pressure when pushing the brush or patch through the bore.
- Clean the bore guide after each use to maintain its integrity and effectiveness.

Disposal Instructions

- Dispose of the bore guide in accordance with local regulations.
- If the bore guide is damaged or no longer usable, consider recycling materials if applicable.
- Never dispose of cleaning solvents or materials in regular trash; follow local hazardous waste disposal guidelines.

Contact Information for Further Support

For any inquiries or concerns regarding the RIMFIRE BORE GUIDE, please refer to the manufacturer's contact details provided on the packaging or product documentation.

Conclusion

By following these safety instructions, you can ensure a safe and effective cleaning experience with your RIMFIRE BORE GUIDE POSSUM HOLLOW ANSCHUTZ MODEL 54. Always prioritize safety and adhere to local regulations when handling firearms and cleaning supplies. Thank you for your attention and responsible use of this product.
