EJS CLEANING ROD STOPS Safety Instruction Guide

Introduction

Thank you for purchasing the EJS Cleaning Rod Stops from Possum Hollow. This product is designed to enhance your cleaning experience by preventing the jag from coming out of the muzzle during scrubbing. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Always follow the manufacturer's instructions for safe use.
- Ensure the product is suitable for your cleaning rod size before use.
- Keep this product out of reach of children and vulnerable individuals.
- Regularly inspect the cleaning rod stops for wear and damage before each use.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Use with Compatible Rods:** Ensure you are using the cleaning rod stops with .22.65mm caliber rods and .27.30 caliber rods made by BoreTech, Dewey, or similar brands.
- **Avoid Excessive Force:** Do not apply excessive force when scrubbing, as this may cause the stops to fail.
- **Check for Damage:** Before each use, inspect the Delrin collar and nylon set screw for any signs of damage or wear.
- **Do Not Modify:** Do not alter or modify the cleaning rod stops in any way, as this may compromise safety.
- **Follow Proper Handling:** Handle the cleaning rod stops with care to avoid injury.

Instructions for Installation and Usage

1. Preparation:

- Ensure your cleaning rod is clean and free from obstructions.
- Select the appropriate size of the cleaning rod stop based on your rod caliber.

2. Installation:

- Place the cleaning rod stop near the handle of your cleaning rod.
- Tighten the nylon set screw securely to hold the stop in place.
- Ensure the stop is positioned correctly to prevent the jag from exiting the muzzle.

3. Usage:

- Use the cleaning rod as per the manufacturer's instructions for your cleaning solution.
- Perform back and forth scrubbing gently, ensuring that the cleaning rod stop remains in place.
- If you notice any issues with the cleaning rod stop during use, stop immediately and inspect for damage.

Disposal Instructions

- Dispose of the cleaning rod stops in accordance with local regulations regarding plastic waste.
- Do not dispose of the product in household waste. Check for local recycling options.

Contact Information for Further Support

For any questions or concerns regarding the EJS Cleaning Rod Stops, please refer to the manufacturer's contact information provided with your product packaging.

Thank you for choosing EJS Cleaning Rod Stops. We wish you a safe and effective cleaning experience!
