RIMFIRE BORE GUIDE POSSUM HOLLOW CZ 452

.22 RIMFIRE Safety Instruction Guide

Introduction

Thank you for choosing the RIMFIRE BORE GUIDE POSSUM HOLLOW CZ 452 .22 RIMFIRE. This guide provides essential safety instructions to ensure the safe and effective use of the product. Please read this guide carefully before using the bore guide to understand how to use it safely and correctly.

General Safety Guidelines

- Ensure that the bore guide is used only with the specified firearm model (CZ 452 .22 RIMFIRE).
- Always handle firearms with care and follow all safety protocols associated with firearm usage.
- Keep the bore guide out of reach of children and unauthorized users.
- Inspect the bore guide before each use to ensure it is in good condition and free from defects.
- If you notice any damage or wear, do not use the bore guide and seek a replacement.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform to stay informed about product safety.

Specific Safety Precautions for Use

- Always make sure the firearm is unloaded before using the bore guide.
- Ensure that the area where you are cleaning your firearm is wellventilated.
- Avoid using the bore guide near open flames or sources of ignition.
- Do not force the bore guide into the firearm; if resistance is encountered, check for obstructions.
- Use only compatible cleaning tools (brushes, patches) with the bore guide to prevent damage.
- Store the bore guide in a safe location when not in use.

Instructions for Installation and Usage

1. Preparation

- Ensure the firearm is completely unloaded.
- Gather all necessary cleaning tools and solvents.

2. Installation

- Insert the bore guide into the chamber of the CZ 452 .22 RIMFIRE.
- Ensure that the clearance cut for the ejector is aligned correctly.
- The funnellike opening should face the muzzle end of the firearm.

3. Usage

- Start by applying solvent to the brush or patch.
- Insert the brush or patch into the funnellike opening of the bore guide.
- Gently push the cleaning tool through the bore guide and into the barrel.
- Repeat the cleaning process as needed, ensuring the bore guide remains in place.

4. PostCleaning

- Remove the bore guide carefully after cleaning.
- Inspect the bore guide for any signs of wear or damage.
- Clean the bore guide as necessary and store it in a safe location.

Disposal Instructions

- Dispose of the bore guide responsibly, following local regulations for plastic waste.
- Do not dispose of the bore guide in household waste if it is damaged or poses a safety risk.
- Consider recycling options available in your area.
