ORING BORE GUIDE POSSUM HOLLOW MODEL #4

Safety Instructions

Introduction

Thank you for choosing the ORING BORE GUIDE POSSUM HOLLOW MODEL #4. This product is designed to center the cleaning rod in the bore of your firearm, preventing rifling damage during cleaning. The bore guide is extra long for use with scoped rifles and features an Oring that seals the chamber, keeping solvents out of the action and trigger. This guide provides essential safety instructions to ensure safe and effective use of the product.

General Safety Guidelines

- Always handle firearms with care and follow all safety protocols.
- Ensure that the firearm is unloaded before using the bore guide.
- Keep the bore guide and all cleaning supplies out of reach of children and vulnerable individuals.
- Regularly inspect the bore guide for any signs of wear or damage before use.
- Use the bore guide only for the intended calibers: .243, 6MM, .22250, 257 RBT., and .2506.
- Follow the manufacturer's instructions for cleaning and maintenance of both the bore guide and your firearm.

Specific Safety Precautions for Use

- Do not force the cleaning rod through the bore guide; this may cause damage to both the guide and the firearm.
- Ensure that the Oring is properly seated to prevent solvents from leaking into the action.
- Use only compatible cleaning rods with the bore guide to avoid misalignment and potential damage.
- Avoid using excessive force when inserting or removing the bore guide from the chamber.
- If you notice any irregularities in the bore guide's performance, discontinue use immediately and inspect for issues.

Instructions for Installation and Usage

1. Preparation:

- Ensure your firearm is completely unloaded.
- Gather all necessary cleaning supplies, including the bore guide, cleaning rod, and solvent.

2. Installation:

- Insert the ORING BORE GUIDE into the chamber of your firearm.
- Make sure the Oring is seated properly to create a seal.
- The bore guide should fit snugly without excessive force.

3. Using the Bore Guide:

- Attach the cleaning rod to the appropriate brush or patch.
- Insert the cleaning rod through the bore guide into the barrel.
- Gently push the cleaning rod through the bore, taking care not to apply excessive force.
- After cleaning, remove the cleaning rod and bore guide carefully.

4. PostUsage:

- Clean the bore guide with a suitable solvent to remove any residue.

- Store the bore guide in a dry place, away from direct sunlight and moisture.

Disposal Instructions

- Dispose of the ORING BORE GUIDE in accordance with local regulations.
- If the bore guide is damaged or no longer functional, do not attempt to repair it. Instead, dispose of it properly to prevent any potential hazards.

Contact Information for Further Support

For any inquiries related to safety, usage, or maintenance of the ORING BORE GUIDE POSSUM HOLLOW MODEL #4, please refer to the manufacturer's guidelines or contact your local retailer.

Thank you for prioritizing safety while using the ORING BORE GUIDE POSSUM HOLLOW MODEL #4. Your diligence helps ensure a safe and effective cleaning process for your firearm.
