

# S&W M-41 SCOPE MOUNT - LSP 5-1/2" SMITH & WESSON

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Handgun Bases](#)

## Extra-Long Rails For Factory Drilled & Tapped Barrels

Lightweight, extra-long scope rail provides plenty of length so eye relief can be precisely tailored for each, individual shooter. Matches the recent, factory drilled and tapped barrels; drill and tap older barrels. Accepts all Weaver-style rings.

# S&W M41 Scope Mount LSP Safety Instruction Guide

## Introduction

Thank you for purchasing the S&W M41 Scope Mount LSP. This guide provides important safety instructions and information to ensure safe installation and usage of the product. Please read this guide carefully before use.

## General Safety Guidelines

- Ensure that the product is compatible with your specific firearm model.
- Inspect the scope mount before each use for any signs of wear or damage.
- Always follow the manufacturer's guidelines for installation and usage.
- Keep the product out of reach of children and vulnerable individuals to prevent accidents.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Use only Weaverstyle rings that are compatible with the scope mount.
- Do not exceed the recommended weight limit for scopes mounted on this product.
- Avoid using the scope mount in extreme environmental conditions, such as heavy rain or extreme temperatures.
- Always ensure that the scope is securely mounted before using the firearm.
- Use protective eyewear when shooting to prevent injury.

## Instructions for Installation and Usage

### Installation

1. **Gather Required Tools:** You will need a screwdriver and the included screws.
2. **Prepare the Firearm:** Ensure the firearm is unloaded and pointed in a safe direction.
3. **Align the Mount:** Position the scope mount on the firearm's rail, ensuring it aligns with the drilled and tapped holes.
4. **Secure the Mount:** Use the included screws to secure the scope mount firmly in place. Do not overtighten.
5. **Attach the Scope:** Mount your scope onto the rail using compatible Weaverstyle rings. Follow the scope manufacturer's instructions for attachment.

### Usage

1. **Check the Installation:** Before use, doublecheck that the scope mount and scope are securely attached.
2. **Adjust Eye Relief:** Ensure that the scope is positioned for optimal eye relief based on your shooting position.
3. **Regular Inspections:** Periodically inspect the mount and scope for any signs of loosening or damage during use.

## Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic waste and metal recycling.
- Do not dispose of the product in household waste.

## **Contact Information for Further Support**
