

# HIGH STANDARD SCOPE MOUNT - BLACK LSP SCOPE MOUNT

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Handgun Bases](#)

## Mounts On The Barrel For Better Balance & Accuracy

The scope and the barrel become one unit to effectively cancel small shifts in zero between the receiver and the barrel for increased accuracy. Thirteen cross-slots provide a wide range of mounting positions; cantilever design centers the weight over the grip for better balance. Cutaway over the receiver allows sufficient scope height for proper functioning and ejection. Fits all factory bull barrels; Weaver-style rings.

## Attributes

- Name: [BLACK LSP SCOPE MOUNT](#)
- Manufacturer: [LSP](#)
- Product no.: 530500001
- Mfr. No.: 530500001
- Colour: Black
- Material: Aluminum
- Model: Universal Handguns
- Number of Bases: 1-Piece
- Style: Weaver-Style Bases
- Weapon type: High Standard
- Delivery weight: 0.045kg
- Shipping height: 13mm
- Shipping width: 81mm
- Shipping length: 203mm

## **SCOPE MOUNT Safety Instructions**

### **Introduction**

Thank you for choosing the HIGH STANDARD SCOPE MOUNT BLACK LSP SCOPE MOUNT. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your scope mount. Please read this document carefully before installation and use to maximize safety and performance.

### **General Safety Guidelines**

- Ensure that the scope mount is compatible with your firearm before use.
- Always follow the manufacturer's instructions for installation and usage.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the scope mount for any signs of wear or damage.
- Store the scope mount in a cool, dry place when not in use.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform to stay informed about product safety.

### **Specific Safety Precautions for Use**

- Only use the scope mount with factory bull barrels and compatible firearm models.
- Ensure that the scope is securely mounted before use to prevent accidents.
- Do not exceed the manufacturer's recommended weight limits for scopes.
- Avoid using the scope mount in extreme temperatures or wet conditions.
- Always wear appropriate eye protection when using firearms equipped with this scope mount.
- Do not modify the scope mount in any way, as this may compromise its safety and performance.

### **Instructions for Installation and Usage**

#### **1. Preparation:**

- Gather all necessary tools and components for installation, including screws and instructions provided.
- Ensure your firearm is unloaded and pointed in a safe direction.

#### **2. Installation:**

- Align the scope mount with the receiver of your firearm.
- Use the provided screws to secure the mount firmly in place. Ensure they are tightened to the manufacturer's specifications.
- Check that the cantilever design centers the weight over the grip for optimal balance.

#### **3. Scope Attachment:**

- Attach the scope to the mount using Weaverstyle rings, ensuring it is securely fastened.
- Adjust the scope height as necessary, ensuring that it allows for proper functioning and ejection.

#### **4. Final Inspection:**

- After installation, inspect the mount and scope for any movement or looseness.
- Perform a function check to ensure that the scope operates correctly with your firearm.

#### **5. Usage:**

- When using the firearm, maintain focus on safety and proper handling at all times.
- Regularly check the scope mount and attachments during use to ensure everything remains secure.

## **Disposal Instructions**

- Dispose of the scope mount and any packaging materials in accordance with local regulations.
- Do not dispose of the product in household waste; instead, utilize designated recycling or hazardous waste facilities if applicable.

## **Contact Information for Further Support**

For any safety inquiries or support regarding the HIGH STANDARD SCOPE MOUNT BLACK LSP SCOPE MOUNT, please refer to the EUbased contact provided by the manufacturer. Ensure all questions are directed to the appropriate channels for assistance.

By following these safety instructions, you can ensure a safe and enjoyable experience with your HIGH STANDARD SCOPE MOUNT BLACK LSP SCOPE MOUNT. Thank you for your attention to safety.
