# Safety Instruction Guide for SHOTGUN BARREL HONE LISLE CORPORATION NO. 2 BARREL HONE

## Introduction

Thank you for purchasing the SHOTGUN BARREL HONE LISLE CORPORATION NO. 2 BARREL HONE. This product is designed to provide effective honing for shotguns ranging from 28 gauge to 12 gauge. To ensure your safety and the proper use of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Always read the instruction manual before using the product.
- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before each use.
- Do not use the product if it appears damaged or is not functioning correctly.
- Report any unsafe conditions or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Use appropriate personal protective equipment (PPE), including safety goggles and gloves, when operating the hone.
- Ensure that the work area is clean, dry, and welllit to prevent accidents.
- Do not operate the hone near flammable materials or in explosive environments.
- Maintain a firm grip on the hone during use to prevent slips and accidents.
- Do not exceed the recommended diameter specifications of 0.2600.270" (6.604mm6.858mm) for the shaft.
- Avoid applying excessive force while honing to prevent gouging or damage to the barrel.
- Always follow the manufacturer's instructions for proper operation and maintenance.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure that the shotgun is unloaded and pointed in a safe direction.
- Gather all necessary tools and materials before starting.

### 2. Installation

- Attach the hone to a compatible drill or flexdrive unit.
- Ensure that the connection is secure to avoid detachment during use.

### 3. Usage

- Insert the hone into the barrel of the shotgun, ensuring it is properly aligned.
- Start the drill or flexdrive unit at a low speed to avoid excessive chatter.
- Gradually increase the speed as needed, while keeping a steady hand.
- Move the hone in and out of the barrel smoothly, without applying excessive pressure.
- Periodically check the progress and inspect the barrel for even honing.

### 4. PostUsage

- Remove the hone from the barrel and clean it according to the manufacturer's recommendations.

- Store the hone in a safe place, away from children and unauthorized users.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations for hazardous materials.
- If the product is damaged or no longer usable, ensure that it is disposed of in a manner that prevents harm to the environment.

## **Contact Information for Further Support**

For any safety inquiries or support related to the SHOTGUN BARREL HONE LISLE CORPORATION NO. 2 BARREL HONE, please refer to the manufacturer's website or customer service resources.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective experience while using the SHOTGUN BARREL HONE LISLE CORPORATION NO. 2 BARREL HONE. Always prioritize safety and adhere to the guidelines provided in this document. Thank you for your attention to these important safety measures.
