

#609 GREEN GENERAL PURPOSE RETAINER COMPOUND 0.34 FL OZ

[Gunsmith Tools & Supplies](#) > [General Gunsmith Tools](#) > [Thread Locking Liquids](#)

Holds Tritium & Handgun Sights Securely Against Recoil

#609 GREEN GENERAL PURPOSE RETAINER COMPOUND The LOCTITE® #609 Green General Purpose Retainer is a high-strength adhesive designed to securely bond cylindrical components, such as bushings, bearings, and sleeves, ensuring optimal performance and reliability. Key Features: High-Strength Bonding: Provides robust adhesion for cylindrical assemblies, preventing movement and leakage. Temperature Resistance: Withstands temperatures up to 300°F (149°C), maintaining bond integrity under thermal stress. Fast Curing: Achieves full strength rapidly, allowing for efficient assembly processes. Specifications: Container Size: 0.34 fl oz (10 mL) Application: Ideal for bonding cylindrical parts, including bushings, bearings, and sleeves. Customer Insights: Users of the LOCTITE® #609 Green General Purpose Retainer have expressed high satisfaction, noting its effectiveness in securing components and preventing movement. The compound has received a 5.0-star rating, reflecting its reliability and performance in various applications. Incorporating the LOCTITE® #609 Green General Purpose Retainer into your assembly and maintenance processes ensures durable and dependable bonding of cylindrical components, enhancing the longevity and performance of your equipment.

Attributes

- Name: [#609 GREEN GENERAL PURPOSE RETAINER COMPOUND 0.34 FL OZ](#)
- Manufacturer: [LOCTITE](#)
- Product no.: 532000001
- Mfr. No.:
- Color: Red
- Size: .34 oz
- Delivery weight: 0.045kg
- Shipping height: 10mm
- Shipping width: 46mm
- Shipping length: 94mm

Safety Instruction Guide for LOCTITE® #609 Green General Purpose Retainer Compound

Introduction

Thank you for choosing LOCTITE® #609 Green General Purpose Retainer Compound. This guide provides essential safety information to ensure safe usage and handling of the product. Please read and follow these instructions carefully to maximize safety and effectiveness.

General Safety Guidelines

- Always use the product in wellventilated areas to avoid inhaling fumes.
- Keep the product away from heat sources, sparks, and open flames.
- Store the product in a cool, dry place and keep it tightly closed when not in use.
- Ensure that the product is kept out of reach of children and pets.
- Regularly check for any recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Personal Protective Equipment (PPE):**

- Wear safety goggles to protect your eyes from splashes.
- Use gloves to prevent skin contact with the adhesive.
- Consider wearing a mask if working in a confined space to avoid inhalation of fumes.

- **Potential Hazards:**

- Skin Contact: May cause irritation. If contact occurs, wash the area with soap and water.
- Eye Contact: Can cause serious irritation. Rinse eyes immediately with water for at least 15 minutes and seek medical attention.
- Inhalation: May cause respiratory irritation. Move to fresh air if you experience difficulty breathing.

- **AgeSpecific Warnings:**

- This product is not intended for use by children. Ensure that it is stored securely to prevent access.

Instructions for Installation and Usage

- **Preparation:**

- Clean the surfaces of the components to be bonded. Remove any dirt, grease, or moisture.
- Ensure that the surfaces are dry before application.

- **Application:**

- Apply a thin, even layer of LOCTITE® #609 Green General Purpose Retainer Compound to one of the surfaces.
- Assemble the components within the recommended time frame for optimal bonding.

- **Curing:**

- Allow the adhesive to cure. Full strength is typically achieved rapidly; however, refer to the product specifications for specific curing times.

- Avoid disturbing the assembly during the curing process to ensure a strong bond.

- **PostApplication:**

- Clean any excess adhesive immediately with a suitable solvent before it cures.
- Dispose of any unused product and empty containers according to local regulations.

Disposal Instructions

- Dispose of unused product and containers in accordance with local waste disposal regulations.
- Do not dispose of the product in household waste or down the drain.
- Check with local authorities for specific disposal guidelines.

Contact Information for Further Support

For safety inquiries or further assistance, please refer to the manufacturer's contact details provided on the product packaging or visit the manufacturer's website.

By following these safety instructions, you can ensure a safe and effective experience with LOCTITE® #609 Green General Purpose Retainer Compound. Thank you for prioritizing safety in your usage of this product.
