

# SILVER GRADE ANTI-SEIZE STICK - LOCTITE SILVER GRADE ANTI-SEIZE STICK

[Gun Cleaning & Chemicals](#) > [Oils & Lubricants](#) > [Lubricant & Protectant Oils](#)

## Semi-Solid Consistency Eliminates Drips, Prevents Waste

Self-feeding, applicator stick makes it easy to apply the right amount of Loctite product without it dripping onto surrounding parts. Semi-solid, no drip formula applies smoothly and consistently to ensure full thread coverage with less waste. Unbelievably mess free, so you spend less time cleaning up after a job. Petroleum-based product with the lubricating qualities of graphite. Reduces friction and protects metal parts in temperatures up to 1600°F (871°C). Eases disassembly of choke tubes and other gun parts prone to seizing. Protects against rust and corrosion.

# SILVER GRADE ANTISEIZE STICK Safety Instruction Guide

## Introduction

Thank you for choosing the SILVER GRADE ANTISEIZE STICK by LOCTITE. This product is designed to provide effective lubrication and protection for metal parts. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure safe use of the SILVER GRADE ANTISEIZE STICK by following these guidelines:
  - Always use the product in accordance with the instructions provided.
  - Keep the product out of reach of children and vulnerable groups.
  - Be aware of potential hazards associated with the product, including skin and eye irritation.
  - Store the product in a cool, dry place away from direct sunlight and heat sources.
  - Regularly check for updates on product recalls and safety alerts via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Before using the SILVER GRADE ANTISEIZE STICK, consider the following precautions:
  - Wear gloves and safety goggles to prevent skin and eye contact.
  - Avoid inhaling fumes. Use in a wellventilated area.
  - Do not apply the product to hot surfaces or near open flames.
  - Ensure that the surface to be treated is clean and dry before application.
  - Do not use the product on food or food preparation surfaces.

## Instructions for Installation and Usage

- Follow these steps for proper installation and usage of the SILVER GRADE ANTISEIZE STICK:
  1. Remove the cap from the applicator stick.
  2. Position the stick at the desired application point.
  3. Apply the product evenly to the surface, ensuring full thread coverage.
  4. Replace the cap securely after use to prevent drying out.
  5. Clean any excess product from surrounding areas to avoid contamination.

## Disposal Instructions

- Dispose of the SILVER GRADE ANTISEIZE STICK responsibly:
  - Do not dispose of the product in household waste.
  - Follow local regulations for hazardous waste disposal.
  - If unsure, contact your local waste disposal authority for guidance.

## Contact Information for Further Support

- For any safety inquiries or additional support regarding the SILVER GRADE ANTISEIZE STICK, please refer to the product packaging for contact information.

By following these safety instructions, you can ensure the effective and safe use of the SILVER GRADE ANTISEIZE STICK. Thank you for your attention to these important guidelines.
