## For Retaining Screws That Must Be Turned

#222 LOW STRENGTH PURPLE THREADLOCKER The LOCTITE® Low Strength Purple #222 Threadlocker is specifically formulated for small fasteners, preventing loosening due to vibration while allowing easy disassembly with standard hand tools. Ideal for screws under 6-32 in size, it ensures components like optics mounts and set screws remain secure without the risk of shearing upon removal. Key Features: Low Strength: Suitable for small screws, enabling secure fastening with easy removal. Vibration Resistance: Maintains screw integrity under dynamic conditions. Prevents Self-Loosening: Ideal for applications requiring occasional adjustments. Specifications: Container Size: 0.34 fl oz (10 mL) bottle. Application: Designed for fasteners smaller than 6-32 in size. Customer Insights: Users have expressed high satisfaction with the LOCTITE® Low Strength Purple #222 Threadlocker, noting its effectiveness in securing small fasteners without hindering future disassembly. The product has received a 5.0-star rating, reflecting its reliability and performance in various applications. Incorporating the LOCTITE® Low Strength Purple #222 Threadlocker into your firearm maintenance routine ensures that small fasteners remain secure during operation, enhancing reliability and performance.

## Attributes

- Name: [LOCTITE #222 LOW STRENGTH PURPLE THREADLOCKER 0.34 FL OZ](#)
- Manufacturer: [LOCTITE](#)
- Product no.: 532222010
- Mfr. No.:
- Colour: Red
- Size: .34 oz
- Delivery weight: 0.032kg
- Shipping height: 14mm
- Shipping width: 100mm
- Shipping length: 140mm

# Safety Instruction Guide for LOCTITE® Low Strength Purple #222 Threadlocker

## Introduction

Thank you for choosing LOCTITE® Low Strength Purple #222 Threadlocker. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read and follow these guidelines carefully to minimize any risks associated with its use.

## General Safety Guidelines

- Always store the product in a cool, dry place, away from direct sunlight and heat sources.
- Keep the product out of reach of children and pets to prevent accidental ingestion or misuse.
- Avoid contact with skin and eyes. If contact occurs, rinse thoroughly with water and seek medical attention if irritation persists.
- Use in a wellventilated area to avoid inhalation of vapors.
- Do not mix with other chemicals or products unless specifically instructed to do so.
- Follow local regulations for disposal of chemical products.

## Specific Safety Precautions for Use

- **Personal Protective Equipment (PPE):** Always wear safety goggles and gloves when handling the product to protect against skin and eye contact.
- **Inhalation:** Avoid breathing in vapors. If you experience dizziness or respiratory discomfort, move to fresh air immediately.
- **Flammability:** The product is flammable. Keep away from open flames, sparks, and high temperatures.
- **Surface Compatibility:** Test on a small area before applying to ensure compatibility with the materials being bonded.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that all surfaces to be bonded are clean, dry, and free from grease or oil.
- Use a suitable solvent (e.g., isopropyl alcohol) to clean the surfaces if necessary.

### 2. Application:

- Shake the bottle gently before use.
- Apply a small amount of LOCTITE® Low Strength Purple #222 Threadlocker to the threads of the screw or fastener.
- Ensure even coverage around the threads.

### 3. Assembly:

- Assemble the components immediately after application.
- Tighten the screw or fastener to the recommended torque specifications.

### 4. Curing:

- Allow the product to cure for at least 24 hours at room temperature for optimal performance.
- The product is designed for easy disassembly with standard hand tools when needed.

### 5. Postapplication:

- Clean any excess product with a suitable solvent before it cures.
- Store any unused product in its original container, tightly sealed.

## **Disposal Instructions**

- Dispose of any unused product and empty containers in accordance with local regulations.
- Do not pour down the drain or dispose of in household waste.
- Contact your local waste management authority for guidance on proper disposal methods.

## **Contact Information for Further Support**

For additional safety information, product inquiries, or to report unsafe products, please refer to the appropriate local authorities or regulatory bodies.

By following these safety instructions, you can use LOCTITE® Low Strength Purple #222 Threadlocker effectively and safely. Thank you for your attention to these important guidelines.
