

# #290 MEDIUM-HIGH STRENGTH GREEN THREADLOCKER - LOCTITE

## #209 MEDIUM-HIGH STRENGTH GREEN THREADLOCKER 0.34 FL OZ

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Thread Locking Liquids](#)

### For Assembled Parts

#209 MEDIUM-HIGH STRENGTH GREEN THREADLOCKER The LOCTITE® Medium-High Strength Green #290 Threadlocker is a wicking-grade adhesive designed to secure pre-assembled fasteners, preventing loosening due to vibration, shock, or thermal expansion. Its low viscosity allows it to penetrate threads by capillary action, making it ideal for applications such as trigger adjustment screws, action assemblies, and scope mounts. With a medium-high strength of 1600 psi, it permits disassembly with standard hand tools. Key Features: Wicking Grade: Penetrates pre-assembled threads to secure fasteners without disassembly. Medium-High Strength: Provides robust fastening while allowing for disassembly with standard tools. Vibration and Shock Resistance: Maintains fastener integrity under dynamic conditions. Specifications: Container Size: 10 mL (0.34 fl oz) bottle. Application: Suitable for securing pre-assembled fasteners in firearms and other equipment.

Customer Insights: Users have expressed high satisfaction with the LOCTITE® Medium-High Strength Green #290 Threadlocker, noting its effectiveness in securing components without the need for disassembly. The product has received a 5.0-star rating, reflecting its reliability and performance in various applications. Incorporating the LOCTITE® Medium-High Strength Green #290 Threadlocker into your maintenance routine ensures that fasteners remain secure during operation, enhancing reliability and performance.

### Attributes

- Name: [LOCTITE #209 MEDIUM-HIGH STRENGTH GREEN THREADLOCKER 0.34 FL OZ](#)
- Manufacturer: [LOCTITE](#)
- Product no.: 532290006
- Mfr. No.:
- Colour: Red
- Size: .34 oz
- Delivery weight: 0.014kg
- Shipping height: 38mm
- Shipping width: 54mm
- Shipping length: 118mm

# Safety Instruction Guide for LOCTITE® MediumHigh Strength Green #290 Threadlocker

## Introduction

Thank you for choosing LOCTITE® MediumHigh Strength Green #290 Threadlocker. This guide provides essential safety instructions and information to ensure the safe use of this product. Please read and follow these guidelines carefully to protect yourself and others.

## General Safety Guidelines

- **Product Safety:** This product is designed for safe use as a nonfood item. Please ensure you understand its properties and intended applications.
- **Enhanced Recalls:** Stay informed about any recalls related to this product. If a recall occurs, you may be eligible for remedies.
- **Online Shopping:** If purchased online, ensure that the seller complies with EU safety regulations.
- **Special Consumer Focus:** Keep this product out of reach of children and vulnerable individuals.
- **EU Contact Point:** For any safety inquiries, consult the EU contact point relevant to this product.
- **Rapid Alerts:** Monitor updates about product safety via the EU Safety Gate platform.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - This product contains chemicals that may cause skin and eye irritation.
  - Avoid contact with skin and eyes. Use appropriate protective equipment.
- **Avoid Inhalation:**
  - Ensure adequate ventilation when using this product to avoid inhalation of fumes.
- **Flammability:**
  - Keep away from heat sources and open flames. This product is flammable.
- **First Aid Measures:**
  - In case of skin contact, wash with soap and water. If irritation persists, seek medical attention.
  - For eye contact, rinse cautiously with water for several minutes. If irritation continues, seek medical attention.
  - If inhaled, move to fresh air. If symptoms persist, seek medical attention.

## Instructions for Installation and Usage

- **Surface Preparation:**
  - Ensure that surfaces to be bonded are clean, dry, and free from oil and grease.
- **Application:**
  - Shake the bottle well before use.
  - Apply a small amount of LOCTITE® MediumHigh Strength Green #290 Threadlocker to the threads of the fastener.
  - Assemble the parts immediately after application to ensure proper adhesion.
- **Curing Time:**
  - Allow the adhesive to cure for at least 24 hours for optimal strength. Full strength may take longer depending on environmental conditions.
- **Disassembly:**
  - The product allows for disassembly with standard hand tools. Use caution when loosening fasteners to avoid damage.

# Disposal Instructions

- **Waste Disposal:**
  - Dispose of any unused product and its container in accordance with local regulations. Do not dispose of in household waste.
- **Environmental Protection:**
  - Do not pour down the drain or into water bodies. Follow local guidelines for hazardous waste disposal.

## Contact Information for Further Support

For any questions or concerns regarding the use of LOCTITE® MediumHigh Strength Green #290 Threadlocker, please refer to the manufacturer's customer service or visit the official website for more information.

By following these safety instructions, you can ensure the safe and effective use of LOCTITE® MediumHigh Strength Green #290 Threadlocker. Thank you for your attention to safety.
