Safety Instruction Guide for FORMATHREAD LOCTITE .44 OZ.

Introduction

Thank you for choosing FORMATHREAD LOCTITE. This product is designed to make reliable thread repairs without the need for tools. It is important to follow safety guidelines to ensure safe and effective use. This guide provides essential safety information, usage instructions, and disposal guidelines.

General Safety Guidelines

- Ensure safe use of all nonfood products, including new technologies and online purchases.
- Be aware of risks not covered by other EU laws.
- Check for standardized recall notices and remedies for dangerous products.
- Online shopping offers the same protections as physical stores. Ensure that the platform meets safety requirements.
- Extra safeguards are in place for vulnerable groups, such as children.
- Products must have an EU-based contact for safety inquiries.
- Stay informed about unsafe products through the Safety Gate system.

Specific Safety Precautions for Use

- Read all instructions carefully before use.
- Keep out of reach of children and pets.
- Avoid contact with skin and eyes. In case of contact, rinse immediately with plenty of water and seek medical advice if irritation persists.
- Ensure the area is well-ventilated during use.
- Do not ingest. If swallowed, seek medical attention immediately.
- Do not use on electrical connections or components.
- Check for compatibility with the materials you are repairing to avoid damage.

Instructions for Installation and Usage

1. Preparation:

- Clean the stripped threads thoroughly to remove any dirt, oil, or debris.
- Ensure that the surface is dry before application.

2. Application:

- Open the FORMATHREAD LOCTITE bottle carefully.
- Coat the stripped threads with a thin layer of FORMATHREAD.
- Reinstall the screw or bolt immediately after application.

3. Curing:

- Allow the product to cure as per the instructions on the label. The product is effective up to 128 ft. lbs. of torque on both coarse and fine threads.

4. PostApplication:

- Ensure that the repaired threads are securely fastened and functioning properly.
- Store any unused product in a cool, dry place away from direct sunlight.

Disposal Instructions

- Dispose of any unused product or empty container according to local regulations.
- Do not dispose of in household waste. Check for any specific disposal instructions on the product label.
- If unsure about disposal methods, contact local waste management authorities for guidance.

Contact Information for Further Support

For any safety inquiries or further support regarding FORMATHREAD LOCTITE, please refer to the EUbased contact provided with the product packaging or consult the manufacturer's website.

By following these safety instructions, you can ensure a safe and effective experience with FORMATHREAD LOCTITE. Thank you for your attention to these guidelines.
