POLY BENCH BOX COVERS & DIVIDERS

SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the POLY BENCH BOX COVERS & DIVIDERS by BROWNELLS. This guide provides essential safety instructions and recommendations to ensure the safe use of this product. Please read this document carefully before using the covers and dividers.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose, which is to protect and organize items within the Poly Bench Boxes.
- Regularly inspect the covers and dividers for any signs of wear or damage. Discontinue use if any defects are found.
- Keep the product out of reach of children and vulnerable individuals to prevent accidents or misuse.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about product recalls and safety updates through the EU Safety Gate platform.

Specific Safety Precautions for Use

- Do not use the covers or dividers near open flames or high heat sources, as they are made from polypropylene and may melt or catch fire.
- Avoid overloading the boxes beyond their intended capacity, as this may lead to breakage or injury.
- Ensure that covers are securely snapped onto the boxes to prevent accidental removal during use.
- Use dividers only as intended to separate items within the boxes. Do not use them for purposes other than organizing contents.

Instructions for Installation and Usage

1. Installation of Covers:

- Take the clear cover and align it with the edges of the Poly Bench Box.
- Press down firmly on the edges until the cover snaps securely into place.
- Ensure that there are no gaps between the cover and the box.

2. Installation of Dividers:

- Open the Poly Bench Box and identify the desired locations for the dividers.
- Insert the divider into the designated slots within the box.
- Adjust the dividers to create compartments as needed, ensuring they fit snugly.

3. Usage:

- Place items within the compartments created by the dividers, ensuring they are not excessively heavy.
- When closing the box, ensure that the cover is securely fastened to protect the contents.

Disposal Instructions

- Dispose of the covers and dividers in accordance with local regulations concerning plastic waste.
- Do not incinerate the product, as burning polypropylene can release harmful substances.
- Consider recycling the product if facilities are available in your area.
