

# BRASS-SMITH POWDER MEASURE STAND - LYMAN BRASS-SMITH POWDER MEASURE STAND

[Reloading](#) > [Powder Handling](#) > [Measure Stands & Accessories](#)

## A Redesigned Stand for Your Powder Measure

The Lyman Products Brass Smith brand has offered top-line reloading gear to handloaders for decades, and the company's maintained its position in the reloading world by listening to its customers. After hearing requests from consumers, the company redesigned its Brass-Smith Powder Measure Stand to offer more options to today's reloader. Each Lyman Products Brass-Smith Powder Measure Stand is now designed to allow users to mount the stand to a bench or to a wall. The unit features standard 7/8-14 TPI threads and places a powder measure high enough to allow cases to sit beneath the drop tube. Each stand is constructed from die-cast aluminum.

# Lyman BrassSmith Powder Measure Stand Safety Instructions

## Introduction

Thank you for choosing the Lyman BrassSmith Powder Measure Stand. This product has been designed with the needs of handloaders in mind, ensuring a reliable and efficient reloading experience. To ensure your safety and the safe operation of this product, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Ensure that all safety precautions are followed when using the product.
- This product is intended for adult use only. Keep out of reach of children.
- Always use the product in a wellventilated area.
- Inspect the product before each use for any signs of damage or wear.
- Do not modify the product in any way.
- Report any unsafe conditions or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Always mount the stand securely to a stable surface, either a bench or wall, to prevent tipping or falling.
- Ensure that the powder measure is properly attached to the stand before use.
- Keep hands and other body parts clear of the drop tube when operating the powder measure.
- Do not overload the powder measure beyond its specified capacity.
- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves when handling powders and reloading components.
- Be aware of the properties and hazards of the powders being used, including flammability and toxicity.

## Instructions for Installation and Usage

### 1. Installation:

- Choose a suitable location for mounting the stand, ensuring it is stable and secure.
- Use the provided hardware to attach the stand to a bench or wall.
- Verify that the stand is level and firmly secured before proceeding.

### 2. Usage:

- Attach the powder measure to the stand using the standard 7/814 TPI threads.
- Adjust the height of the powder measure to ensure that cases can sit comfortably beneath the drop tube.
- Before adding powder, ensure that the powder measure is clean and free of obstructions.
- Follow the manufacturer's instructions for the specific powder measure being used.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- If the product is no longer usable, contact your local waste management facility for proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries, please refer to the EUbased contact point provided by the manufacturer. Additionally, stay informed about product recalls and safety updates through the EU Safety Gate platform.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective reloading experience with the Lyman BrassSmith Powder Measure Stand. Your safety is our priority, and we appreciate your commitment to responsible use of our products.
