# Safety Instruction Guide for Lyman Bleacher Loading Blocks

## Introduction

Thank you for choosing the Lyman Bleacher Loading Blocks. These blocks are designed to enhance your reloading experience by providing a safe and efficient way to store and retrieve your reloading cases. This guide contains important safety instructions and information to ensure the safe use of this product.

## General Safety Guidelines

- Always read and understand all instructions before using the product.
- Ensure that the loading blocks are used in a wellventilated area.
- Keep the loading blocks out of reach of children and pets.
- Inspect the loading blocks for any damage before each use. Do not use damaged blocks.
- Use the product only for its intended purpose as specified in this guide.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the loading blocks are placed on a stable surface to prevent tipping or falling.
- Avoid overloading the blocks beyond the specified capacity of 50 casings.
- Handle the casings with care to avoid injury from sharp edges or debris.
- Do not use the loading blocks for any other materials or items that are not specified.
- Follow all local laws and regulations regarding the handling of ammunition components.

## Instructions for Installation and Usage

### 1. Placement

- Choose a flat and stable surface to place your Lyman Bleacher Loading Blocks.
- Ensure that the area is free from clutter and distractions.

### 2. Loading Casings

- Hold the casing by the base and insert it into the appropriate slot of the loading block.
- Ensure that the casing is seated securely in the slot.
- Repeat this process until all 50 slots are filled, if desired.

### 3. Retrieving Casings

- To retrieve a casing, gently press down on the casing's base to release it from the slot.
- Avoid pulling on the casing, as this may damage the block or the casing.

### 4. Cleaning and Maintenance

- Clean the loading blocks regularly using a soft, damp cloth.
- Do not use abrasive cleaners or solvents that could damage the polymer material.

## Disposal Instructions

- Dispose of the Lyman Bleacher Loading Blocks in accordance with local regulations for plastic waste.

- If the blocks are damaged or no longer usable, consider recycling them if possible.

## **Contact Information for Further Support**

For any questions or concerns regarding the Lyman Bleacher Loading Blocks, please refer to the manufacturer's contact information provided with the product packaging.

Thank you for following these safety instructions. Enjoy your reloading experience with the Lyman Bleacher Loading Blocks!
