# Safety Instruction Guide for Lyman 0.565" Bleacher Loading Block

## Introduction

Thank you for choosing the Lyman 0.565" Bleacher Loading Block. This product is designed to enhance your reloading experience by providing a secure and accessible way to store and retrieve your casings. To ensure safe and effective use of this product, please read the following safety instructions carefully.

## General Safety Guidelines

- Always inspect the loading block for any signs of damage before use.
- Keep the loading block out of reach of children and pets.
- Use the loading block only for its intended purpose.
- Do not overload the loading block beyond its capacity of 50 rounds.
- Store the loading block in a cool, dry place away from direct sunlight.

## Specific Safety Precautions for Use

- Ensure that the loading block is placed on a stable surface during use to prevent tipping or spilling of casings.
- Avoid using the loading block with casings that are not compatible with the specified diameter of .483 inches.
- When handling casings, wear appropriate protective gear such as safety glasses.
- Do not attempt to modify or alter the loading block in any way.
- If you notice any unusual wear or damage, discontinue use immediately and contact the manufacturer for guidance.

## Instructions for Installation and Usage

### 1. Placement:

- Place the loading block on a flat, stable surface where you will be reloading.

### 2. Loading Casings:

- Insert casings into the designated slots of the loading block.
- Ensure that each casing is securely placed and that they are not jammed or forced into the slots.

### 3. Retrieving Casings:

- To remove a casing, grasp it firmly and pull it straight out of the slot.
- Avoid twisting or turning the casing while removing it to prevent damage.

### 4. Cleaning and Maintenance:

- Clean the loading block regularly with a damp cloth to remove dust and debris.
- Do not use harsh chemicals or abrasive materials that may damage the polymer surface.

## Disposal Instructions

- Dispose of the loading block responsibly in accordance with local regulations.
- If the loading block is damaged beyond repair, consider recycling it if possible, as it is made from

polymer.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the Lyman 0.565" Bleacher Loading Block, please refer to the manufacturer's contact information provided with the product packaging or visit the official website.

## **Conclusion**

By following these safety instructions, you can ensure a safe and efficient reloading experience with your Lyman 0.565" Bleacher Loading Block. Always prioritize safety and remain informed about best practices in reloading to enhance your overall experience. Thank you for your attention to these important guidelines.
