# Safety Instruction Guide for the Lyman Bag Jack

## Introduction

Thank you for choosing the Lyman Bag Jack. This product is designed to enhance your shooting experience by providing a stable and adjustable platform for your rifle. To ensure your safety and the effective use of this product, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always ensure that the Lyman Bag Jack is used in a safe environment, free from distractions and hazards.
- Regularly inspect the Bag Jack for any signs of wear or damage before each use.
- Ensure that the area around you is clear of people and obstacles while using the Bag Jack.
- Store the Bag Jack in a secure location when not in use, out of reach of children and pets.
- Familiarize yourself with the operation and features of the Bag Jack before using it.

## Specific Safety Precautions for Use

- Do not exceed the weight limit of the Bag Jack. Ensure that your rifle is within the specifications for safe use.
- Always use the adjustment knob to elevate the Bag Jack; do not attempt to force it or modify it in any way.
- Ensure that the surface on which the Bag Jack is placed is stable and level.
- Never use the Bag Jack while it is folded or in a nonoperational position.
- Keep fingers and hands clear of moving parts when adjusting the Bag Jack.

## Instructions for Installation and Usage

### 1. Setting Up the Bag Jack:

- Place the Bag Jack on a stable and level surface.
- Ensure that the textured surface is facing upwards to provide maximum grip for your rifle.

### 2. Adjusting the Height:

- Locate the adjustment knob on the Bag Jack.
- Turn the knob clockwise to raise the Bag Jack and counterclockwise to lower it.
- Adjust to the desired height that allows for a comfortable shooting position.

### 3. Placing Your Rifle:

- Carefully place your rifle on the textured surface of the Bag Jack.
- Ensure that the rifle is stable and secure before taking your position.

### 4. Folding for Storage:

- To fold the Bag Jack, ensure it is in a lowered position.
- Carefully collapse the Bag Jack by following the manufacturer's instructions.
- Store the Bag Jack in a dry place to prevent corrosion.

## Disposal Instructions

- When the Lyman Bag Jack has reached the end of its life cycle or is no longer usable, dispose of it in accordance with local regulations.

- Avoid disposing of the Bag Jack in regular household waste; check for recycling options or designated disposal facilities for metal and aluminum products.

## **Contact Information for Further Support**

For any safety inquiries or support regarding the Lyman Bag Jack, please refer to the manufacturer's contact points available on their official website or product packaging.

## **Conclusion**

The Lyman Bag Jack is a valuable tool for shooters seeking to improve their shooting stability. By following these safety instructions, you can ensure a safe and enjoyable shooting experience. Always prioritize safety and be aware of your surroundings when using this product. Thank you for your attention to these guidelines.
