# ESSENTIAL PISTOL CLEANING KIT 9MM, 40CAL, 45ACP Safety Instruction Guide

## Introduction

Thank you for choosing the Lyman Essential Pistol Cleaning Kit. This guide provides important safety instructions and guidelines to ensure the safe and effective use of your cleaning kit. Please read this guide carefully before using the product.

## General Safety Guidelines

- Ensure that all cleaning activities are conducted in a safe environment, free from distractions.
- Always keep the cleaning kit out of reach of children and pets.
- Handle all cleaning supplies, including gun oil and patches, with care to avoid ingestion or contact with eyes.
- Store the cleaning kit in a cool, dry place when not in use.
- Regularly inspect all components of the kit for wear or damage before use.
- Always comply with local laws and regulations regarding firearm cleaning and maintenance.

## Specific Safety Precautions for Use

- When using the cleaning rod, ensure that it is securely attached to the handle to prevent detachment during use.
- Avoid using excessive force when cleaning to prevent damage to the firearm.
- Do not use the cleaning kit on loaded firearms. Always ensure that your firearm is unloaded before cleaning.
- Use the appropriate brush or jag for your specific caliber to prevent damage to the barrel.
- Be cautious when using gun oil; avoid contact with skin and eyes. In case of contact, rinse immediately with water and seek medical advice if necessary.

## Instructions for Installation and Usage

### 1. Unpacking the Kit:

- Open the carrying case and ensure all components are present:
  - 3 bronze brushes
  - 3 brass jags
  - 3 mops
  - 1 slotted patch holder
  - 1 cleaning rod handle
  - 1 rod centering guide
  - 1 bag of patches
  - 1 bottle of gun oil
  - 5 ½" rod brass cleaning rods & 2" extension

### 2. Preparing for Cleaning:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Select the appropriate brush, jag, or mop based on the caliber of your firearm.

### 3. Using the Cleaning Rod:

- Attach the selected brush, jag, or mop to the cleaning rod.

- Insert the cleaning rod into the barrel and gently push it through. Rotate the rod as needed to follow the rifling.
- Repeat as necessary, using patches and gun oil as needed for thorough cleaning.

#### **4. Cleaning the Components:**

- After cleaning, use a clean patch to remove any excess oil from the barrel.
- Wipe down all components of the firearm with a dry cloth to remove any residue.

#### **5. Storing the Kit:**

- After use, clean all brushes and components with a cloth and store them in the carrying case.
- Ensure the carrying case is closed securely and stored out of reach of children.

## **Disposal Instructions**

- Dispose of used patches and any other cleaning materials in accordance with local regulations.
- Do not dispose of gun oil or other liquids down the drain. Follow local hazardous waste disposal guidelines.

## **Contact Information for Further Support**

For any safety inquiries or support regarding your Lyman Essential Pistol Cleaning Kit, please refer to the official Lyman website or contact your local distributor.

Thank you for your attention to these safety guidelines. Enjoy using your Lyman Essential Pistol Cleaning Kit responsibly and safely!
