# Safety Instruction Guide for Lyman Brass Smith 8Station Turret Press

## Introduction

Thank you for choosing the Lyman Brass Smith 8Station Turret Press. This guide provides essential safety instructions to ensure safe and effective use of your new reloading press. Please read this manual carefully before using the product to understand how to operate it safely and efficiently.

## General Safety Guidelines

To ensure your safety and the safety of others, please adhere to the following general safety guidelines:

- Always read and follow the manufacturer's instructions.
- Keep the work area clean and welllit.
- Wear appropriate safety gear, including eye protection, when using the press.
- Ensure that the press is securely mounted to a stable work surface.
- Keep all tools and materials away from the press when not in use.
- Do not use the press for any purpose other than intended.
- Ensure that children and pets are kept away from the work area.

## Specific Safety Precautions for Use

When using the Lyman Brass Smith 8Station Turret Press, please consider the following specific safety precautions:

- **Hazard Identification:**

- Be aware of pinch points when operating the ram and handle.
- Ensure that the press is free of obstructions before use.
- Use caution when handling reloading components and ammunition.

- **Avoiding Hazards:**

- Do not exceed the recommended capacity of the press.
- Always check that the dies are properly secured before operation.
- Use the straightline primerfeed system as directed to prevent misalignment or jams.
- Never attempt to modify or disassemble the press without proper knowledge and training.

- **Age and Audience Specific Warnings:**

- This product is not intended for use by individuals under the age of 18.
- Ensure that inexperienced users are supervised by a knowledgeable adult when using the press.

## Instructions for Installation and Usage

Follow these instructions for the proper installation and usage of your Lyman Brass Smith 8Station Turret Press:

1. **Installation:**

- Choose a sturdy workbench or table that can support the weight and operation of the press.
- Use bolts or screws to securely mount the press to the work surface, ensuring it is stable and does not wobble.

- Verify that the press is level and properly aligned before use.

## 2. **Setup:**

- Install the dies according to the manufacturer's instructions, ensuring they are tightened securely.
- Load the shell holders as per the specifications for your reloading setup.
- Adjust the ergonomic ball handle for your preferred hand position.

## 3. **Usage:**

- Follow the reloading procedures as outlined in the reloading manual specific to your cartridge type.
- Operate the ram smoothly and steadily to avoid sudden movements.
- Regularly inspect the press for any signs of wear or damage, and perform maintenance as needed.

## **Disposal Instructions**

When it is time to dispose of your Lyman Brass Smith 8Station Turret Press, please follow these guidelines:

- Do not dispose of the press in regular household waste.
- Check local regulations for proper disposal methods of metal and electronic components.
- If applicable, recycle parts of the press according to local recycling programs.

## **Contact Information for Further Support**

For any questions or concerns regarding the Lyman Brass Smith 8Station Turret Press, please reach out to your local dealer or the manufacturer's customer service for assistance.

By following these safety instructions, you can ensure a safe and enjoyable experience when using your Lyman Brass Smith 8Station Turret Press. Always prioritize safety and consult the manual for any specific inquiries related to your press's operation. Thank you for your attention to these important guidelines.
