Safety Instruction Guide for Lyman Bleacher Loading Blocks

Introduction

Thank you for choosing the Lyman Bleacher Loading Blocks. These blocks are designed to enhance your reloading experience by providing a safe and efficient way to handle your cases. This guide outlines essential safety instructions and general guidelines to ensure your safe use of the product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always follow the manufacturer's instructions for safe use.
- Ensure that the loading blocks are used in a wellventilated area.
- Keep the loading blocks out of reach of children and vulnerable individuals.
- Inspect the loading blocks regularly for any signs of damage or wear.
- Do not use the loading blocks for any purpose other than intended.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the loading blocks are placed on a stable surface before use to prevent tipping.
- Avoid overloading the blocks beyond their capacity of 50 individual casings.
- Handle cases with care to avoid injury from sharp edges.
- Do not attempt to modify or alter the loading blocks in any way.
- Store the loading blocks in a dry place to prevent deterioration of the polymer material.
- Be aware of your surroundings when retrieving cases to avoid accidents.

Instructions for Installation and Usage

1. **Unpacking:** Carefully remove the loading blocks from the packaging. Inspect for any visible damage.
2. **Placement:** Place the loading blocks on a flat, stable surface to ensure they do not tip over during use.
3. **Loading Cases:**
 - Hold the case by the base, avoiding contact with the mouth.
 - Insert the case into the designated slot, ensuring it is seated properly.
 - Repeat until all slots are filled, ensuring not to exceed the maximum capacity of 50 cases.
4. **Retrieving Cases:**
 - To retrieve a case, grasp it firmly by the base and pull it out of the slot.
 - Ensure that you maintain a safe distance from other objects or individuals when retrieving cases.
5. **Cleaning:** Wipe the loading blocks with a dry cloth to remove dust and debris. Avoid using harsh chemicals that may damage the polymer.
6. **Storage:** When not in use, store the loading blocks in a cool, dry place, away from direct sunlight and moisture.

Disposal Instructions

When disposing of the Lyman Bleacher Loading Blocks, please follow these guidelines:

- Check local regulations for proper disposal methods of polymer materials.
- If the loading blocks are damaged beyond use, consider recycling options if available.
- Do not dispose of the blocks in regular household waste if they can be recycled.

Contact Information for Further Support

For any questions or concerns regarding the Lyman Bleacher Loading Blocks, please refer to the manufacturer's website or contact your local retailer for assistance. Always retain your purchase receipt and any warranty information for future reference.

Thank you for prioritizing safety while using the Lyman Bleacher Loading Blocks. Enjoy your reloading experience!
