

# BLEACHER LOADING BLOCKS - LYMAN LARGE PISTOL BLEACHER LOADING BLOCK

[Reloading](#) > [Case Preparation](#) > [Loading Blocks](#)

Incorporating Lyman Bleacher Loading Blocks into your reloading routine will help ease the process of grabbing cases from the block, thanks to the novel design of the block. The Lyman Bleacher Loading Blocks work by incorporating a design similar to the one found in gym bleachers, utilizing an incline that allows individual cases to stand out and be easily retrieved by owners. Will hold 50 individual casings .483 diameter is sized for .308 Win. cases Made from tough polymer The Lyman Bleacher Loading Blocks are a must-have tool for those looking to make the most of their reloading time.

# Safety Instruction Guide for Lyman Large Pistol Bleacher Loading Block

## Introduction

Thank you for choosing the Lyman Large Pistol Bleacher Loading Block. This product is designed to enhance your reloading experience by providing a safe and efficient way to organize and store your ammunition cases. Please read this safety instruction guide carefully to ensure the safe use of this product.

## General Safety Guidelines

- Always ensure that the loading block is placed on a stable and flat surface during use.
- Keep the loading block out of reach of children and pets to prevent accidents.
- Inspect the loading block for any damage before each use. Do not use if any parts are broken or missing.
- Use the loading block only for its intended purpose: organizing and holding ammunition cases.
- Always follow manufacturer guidelines when reloading ammunition to ensure safety.

## Specific Safety Precautions for Use

- Handle ammunition with care to avoid accidental discharge.
- Do not overload the loading block beyond its capacity of 50 individual casings.
- Ensure that the casings are of the correct diameter (.483) for the block to function properly.
- Avoid using the loading block in damp or wet conditions to prevent damage to the polymer material.
- Do not attempt to modify or alter the loading block in any way.

## Instructions for Installation and Usage

### 1. Unpacking the Product

- Remove the loading block from its packaging.
- Check for any signs of damage or missing parts.

### 2. Setting Up the Loading Block

- Place the loading block on a stable, flat surface in your reloading area.
- Ensure that the incline design is facing you for easy access to the ammunition cases.

### 3. Loading the Ammunition Cases

- Carefully insert the ammunition cases into the designated slots of the loading block.
- Ensure that each casing is positioned securely and that the block is not overloaded.

### 4. Using the Loading Block

- When retrieving cases, lean slightly forward and grasp the casing firmly to avoid dropping it.
- Replace any used cases back into the block immediately to maintain organization.

### 5. Cleaning and Maintenance

- Clean the loading block with a damp cloth and mild soap as needed.
- Avoid using harsh chemicals that may damage the polymer material.

## **Disposal Instructions**

- Dispose of the loading block responsibly at the end of its life cycle.
- If the loading block is damaged beyond use, check local regulations for proper disposal methods for polymer materials.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the Lyman Large Pistol Bleacher Loading Block, please reach out to the designated EU contact point provided with your product packaging.

By following these safety instructions, you can ensure a safer and more efficient reloading experience. Thank you for choosing Lyman products.
