# Safety Instruction Guide for Lyman Custom Fit Loading Block

## Introduction

Thank you for purchasing the Lyman Custom Fit Loading Block. This guide provides essential safety information to ensure the safe use of the product. Please read these instructions carefully before using the loading block.

## General Safety Guidelines

- Ensure that the loading block is used solely for its intended purpose of holding cartridges for reloading.
- Keep the loading block out of reach of children and vulnerable individuals to prevent accidents.
- Regularly inspect the loading block for signs of wear or damage. Do not use if damaged.
- Follow all local laws and regulations regarding ammunition and reloading practices.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Always handle cartridges with care to avoid accidental discharge.
- Do not exceed the specified capacity of 50 rounds in the loading block.
- Use only cartridges that fit the specified calibers: .357 Magnum, 38 Special, 9 mm Luger, 380 Auto (ACP), 6.5 Grendel, 357 SIG, 6.8 mm Remington SPC, 218 Bee, 2520 Winchester, 3220 Winchester, 224 Weatherby Magnum, 38 S&W, 38 Super, and 9 mm Makarov.
- Avoid using the loading block near flammable materials or in hazardous environments.
- Always wear appropriate safety gear, such as eye protection, when reloading.

## Instructions for Installation and Usage

### 1. Placement:

- Place the loading block on a stable, flat surface to prevent tipping or movement during use.

### 2. Loading Cartridges:

- Carefully insert cartridges into the loading block, ensuring they fit securely into the designated slots.
- Do not force cartridges into the block; if they do not fit, check that you are using the correct caliber.

### 3. Storage:

- Store the loading block in a cool, dry place when not in use.
- Ensure the loading block is clean and free from debris before storing.

### 4. Cleaning:

- Clean the loading block with a damp cloth to remove any dirt or residue.
- Avoid using harsh chemicals that may damage the polymer material.

## Disposal Instructions

- Dispose of the loading block in accordance with local regulations regarding plastic waste.
- If the loading block is damaged beyond repair, ensure it is disposed of in a way that prevents accidental

use.

## **Contact Information for Further Support**

For any questions or concerns regarding the Lyman Custom Fit Loading Block, please contact the manufacturer. Ensure you have your product information ready for reference.

Thank you for your attention to these safety instructions. Your safety is our priority, and we hope you enjoy using your Lyman Custom Fit Loading Block responsibly.
