Safety Instruction Guide for TURBO CASE CLEANING MEDIA LYMAN TREATED CORNCOB 15LBS VALUE PACK

Introduction

Thank you for choosing the Lyman Case Cleaning Media. This product is designed to effectively clean and polish your cases, making them ready for reloading. To ensure safe and effective use of this product, please follow the safety guidelines and instructions outlined in this guide.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Store the product in a cool, dry place, away from direct sunlight and moisture.
- Always read and follow the manufacturer's instructions before use.
- In case of accidental ingestion or contact with eyes, seek medical attention immediately.
- Report any unsafe products or incidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use in a wellventilated area to avoid inhalation of dust.
- Wear protective gloves and eyewear when handling the media to prevent skin irritation and eye contact.
- Avoid using the product near open flames or sources of ignition.
- Do not mix with other cleaning agents or chemicals unless specified by the manufacturer.
- Ensure that your Turbo Tumbler is operated according to the manufacturer's guidelines to avoid overheating or malfunction.

Instructions for Installation and Usage

1. Preparation:

- Ensure the Turbo Tumbler is clean and free of any previous media.
- Gather the cases you wish to clean.

2. Loading the Tumbler:

- Pour the Lyman treated corncob media into the tumbler until it reaches the recommended fill level.
- Add the cases to be cleaned, ensuring they are evenly distributed.

3. Operation:

- Close the tumbler securely.
- Set the timer according to the manufacturer's instructions, typically a few hours for optimal cleaning.
- Turn on the tumbler and monitor during operation for any unusual noises or overheating.

4. PostCleaning:

- Once the cleaning cycle is complete, turn off the tumbler and allow it to cool down before opening.
- Carefully remove the cleaned cases and dispose of the used media according to disposal

instructions.

Disposal Instructions

- Dispose of used cleaning media in accordance with local regulations.
- Do not dispose of in waterways or public drains.
- If the product is deemed hazardous, contact your local waste management facility for proper disposal guidelines.

Contact Information for Further Support

For any inquiries regarding safety or product usage, please consult the manufacturer's customer support resources. Ensure that you have the product details ready for reference.

By following these guidelines, you can ensure the safe and effective use of the Lyman Case Cleaning Media. Thank you for your attention to safety, and happy reloading!
