# Safety Instruction Guide for BUSHINGS FOR BRASS SMITH CASE TRIM XPRESS

## Introduction

Thank you for choosing the BUSHINGS FOR BRASS SMITH CASE TRIM XPRESS, specifically the LYMAN #19 TRIM XPRESS BUSHING (300 PRC). This guide provides essential safety instructions to ensure safe usage and maintenance of the product, in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always read the instructions before using the product.
- Ensure that the product is suitable for your specific cartridge type.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product for any signs of damage before use.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about recall updates via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use the bushings only with compatible cartridges: 375 Ruger 338 Ruger Compact Magnum 300 Ruger Compact Magnum 6.5 PRC 300 PRC
- Ensure that the bushing is securely attached to the Case Trim Xpress system before use.
- Avoid placing fingers near the cutter while operating the device.
- Do not attempt to modify or disassemble the bushings or the Case Trim Xpress system.
- Always operate the device in a welllit area to ensure visibility.

## Instructions for Installation and Usage

### 1. Installation:

- Remove any existing bushing from the Case Trim Xpress system.
- Select the appropriate bushing for your cartridge.
- Align the bushing with the mounting point on the Case Trim Xpress system.
- Firmly press the bushing into place until it locks securely.

### 2. Usage:

- Insert the brass case into the bushing.
- Apply gentle pressure to push the case against the carbide cutter.
- Maintain a steady hand to ensure a smooth and even cut.
- Remove the trimmed case from the bushing once the cutting process is complete.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Check for recycling options available in your area.

## Contact Information for Further Support

For any questions or concerns regarding the product, please refer to the contact information provided on the

packaging or the manufacturer's website.

By following these safety instructions, you can ensure a safe and effective experience with your BUSHINGS FOR BRASS SMITH CASE TRIM XPRESS. Thank you for your attention to safety.
