

BRASS SMITH POWDER TRICKLER - LYMAN BRASS SMITH POWDER TRICKLER

[Reloading](#) > [Powder Handling](#) > [Powder Tricklers](#)

A Powder Trickler Designed for the Serious Reloader

For those handloaders who've reached the next stage in their handloading hobby, it's clear what elements are needed in a good powder trickler, and Lyman ensured that all the must-have features are included in its Brass Smith Powder Trickler. Each Lyman Brass Smith Powder Trickler starts with a static-free, die-cast aluminum body, which is easily adjustable for height. The base of the body is machined from steel, adding the weight and stability needed for a good trickler. Each trickler also ships with an aluminum feed tube that can be adjusted to provide a longer reach with an included extension. This special feature allows the trickler to be used with wide-body electronic scales and beam scales. Other features on the Lyman Brass Smith Powder Trickler include a large knob that allows for increased precision in trickling powder, as well as a large hopper that provides plenty of powder on-hand for users. The trickler is finished with a durable, attractive powder-coat finish.

Lyman Brass Smith Powder Trickler Safety Instructions

Introduction

Thank you for choosing the Lyman Brass Smith Powder Trickler. This guide provides essential safety instructions to ensure the safe use of the product. Please read this document carefully before using the trickler to enhance your handloading experience.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose, which is to trickle powder for handloading ammunition.
- Keep the trickler out of reach of children and vulnerable individuals to prevent accidents.
- Regularly check the device for any signs of wear or damage. Do not use if any parts are broken or malfunctioning.
- Avoid using the trickler near flammable materials or in environments with high humidity.
- Always follow manufacturer instructions for safe operation and maintenance.

Specific Safety Precautions for Use

- Do not exceed the recommended height adjustment for stability.
- Ensure that the feed tube is securely attached before use to prevent spills.
- Use the trickler on a stable, flat surface to avoid tipping.
- Do not overload the hopper; fill it only to the indicated level to prevent overflow.
- When trickling powder, do so slowly and carefully to avoid spills and minimize the risk of accidents.
- Always store the trickler in a dry place when not in use.

Instructions for Installation and Usage

1. **Unboxing:** Carefully remove the Lyman Brass Smith Powder Trickler from its packaging. Inspect for any damage.
2. **Setting Up:**
 - Place the trickler on a stable, flat surface.
 - Adjust the height of the trickler to your preference using the adjustable feature.
 - Attach the aluminum feed tube securely to the body of the trickler.
3. **Filling the Hopper:**
 - Open the hopper lid and fill it with the desired powder.
 - Do not exceed the maximum fill line indicated on the hopper.
4. **Using the Trickler:**
 - Position your scale beneath the feed tube.
 - Turn the large knob slowly to trickle powder into the scale pan.
 - Monitor the scale closely to achieve the desired weight.
5. **After Use:**
 - Empty any remaining powder from the hopper and clean the trickler as per the manufacturer's recommendations.
 - Store the trickler in a secure and dry location.

Disposal Instructions

- Dispose of the Lyman Brass Smith Powder Trickler in accordance with local regulations.
- If the device is damaged and cannot be repaired, consider recycling materials where possible.
- Do not dispose of powder residues in regular waste; follow local guidelines for hazardous materials.

Contact Information for Further Support

For safety inquiries or additional support, please refer to the manufacturer's contact information provided with your product.

By following these safety instructions, you can ensure a safe and effective experience with your Lyman Brass Smith Powder Trickler. Thank you for prioritizing safety in your handloading hobby.
